The theme, "Into the 90's" was chosen for a variety of reasons. Starting a new century means a new beginning along with changes which will reflect on the University as a whole. In the nineties, there will be new fads and styles created, but the people will remain the same. The University will also be making changes. There will be many additions being made to the campus in the coming years. There is a communication-arts building under construction at the present time. As this summer approaches, additions will be made to King-Horn Center. The nineties will be reflecting a more modern look on our campus. All in all the future of Ohio Northern University holds the promise of a very bright decade.

## oving Day

The first "Moving Day" for a freshman may well be a day he or she will always remember. All of the unknowns come to a climax as the car pulls onto the campus of Ohio Northern University. "Where do you go?" or "How do you get started?" and "Who are all those people in white shirts that say "Good News Bear-ers" on the back?"

Eventually, everyone begins to understand the system of which they are now a part. Finally, the proper residence hall is located, the parents all go home and those "Good News Bear-ers" turned out to be quite helpful.

Meeting the RA (Residence Hall Assistant) and learning the rules and regulations of ONU was the next step in adjusting to college life. For the most part the RA became a good source of

information. The roommate situation may have been anticlimactic for returning students, or even freshmen that met their roommate over summer orientation. However, for each person, "Moving Day" held a special little twist that they may still be laughing or crying about.

For many students they were still bringing things from home six weeks after the school year started while others went to the local lumber yard and bought enough stuff to build a room for

themselves!

For many students, "Moving Day" is thought of with mixed emotions and for others it is just another day that comes and goes with the inevitable passing of time. The ironic thing about "Moving Day", is that when that school year is over, we will all get our things together and find it to be nearly twice as much as we thought we had in that little room!

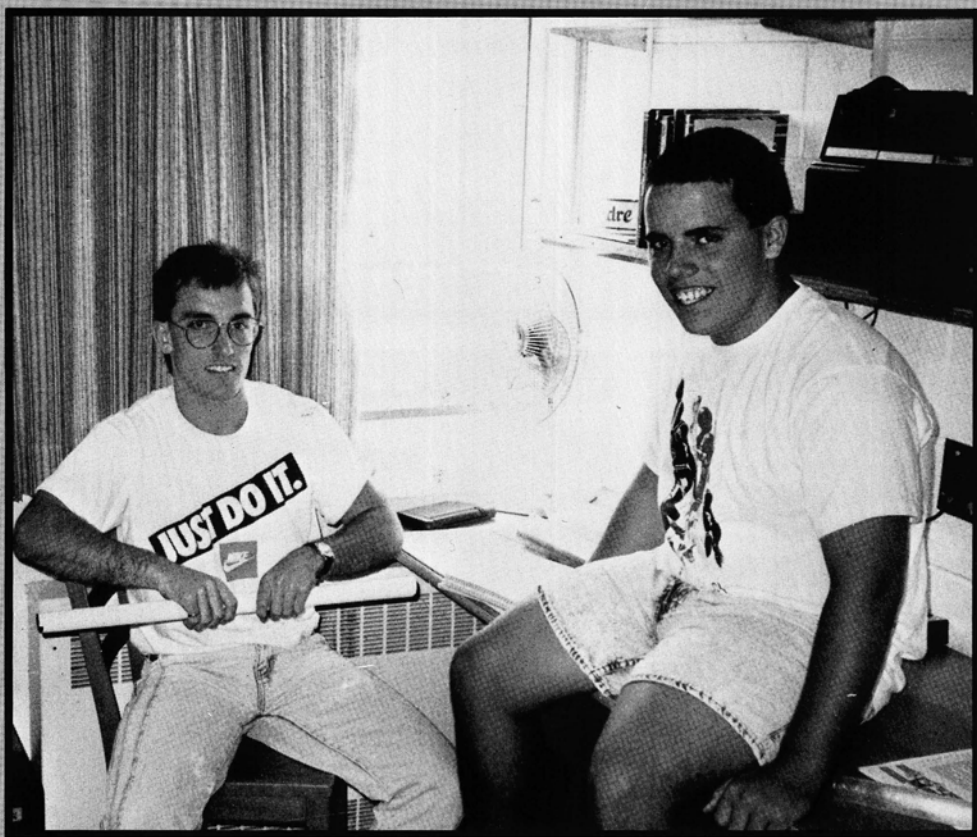

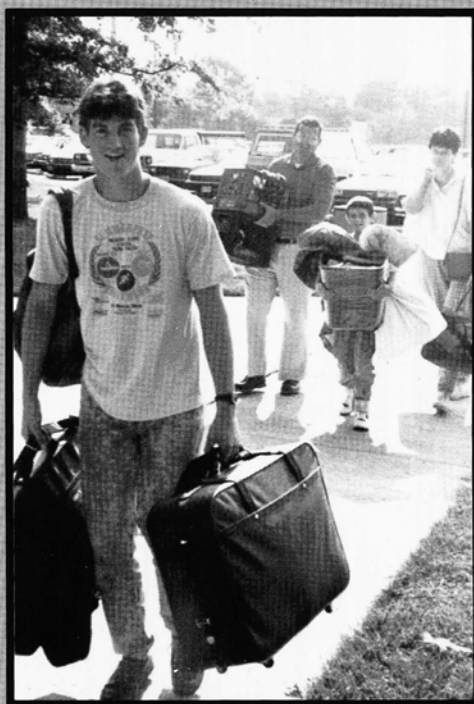

Some people like it plush!

Some "Good News Bear-ers" pose for a small group picture.

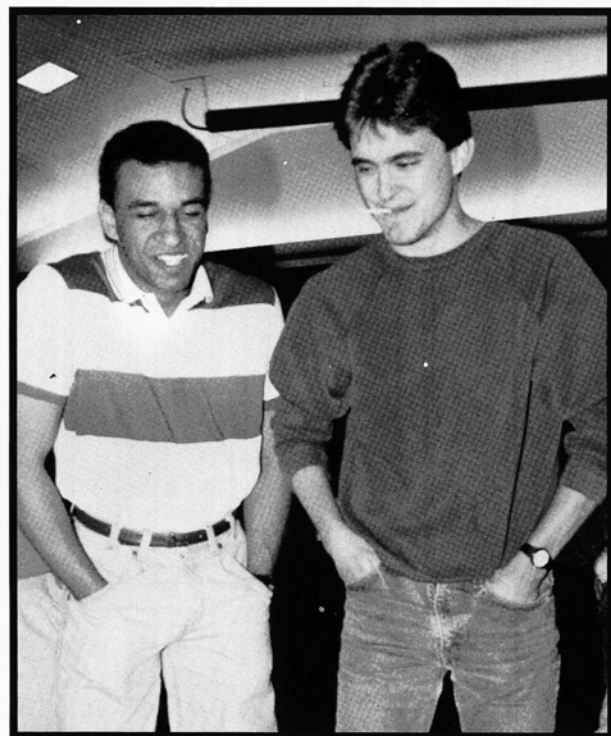

Finally... it's all in!

One more "Moving" victim.

# clntosh

...stretches for a difficult pool shot.

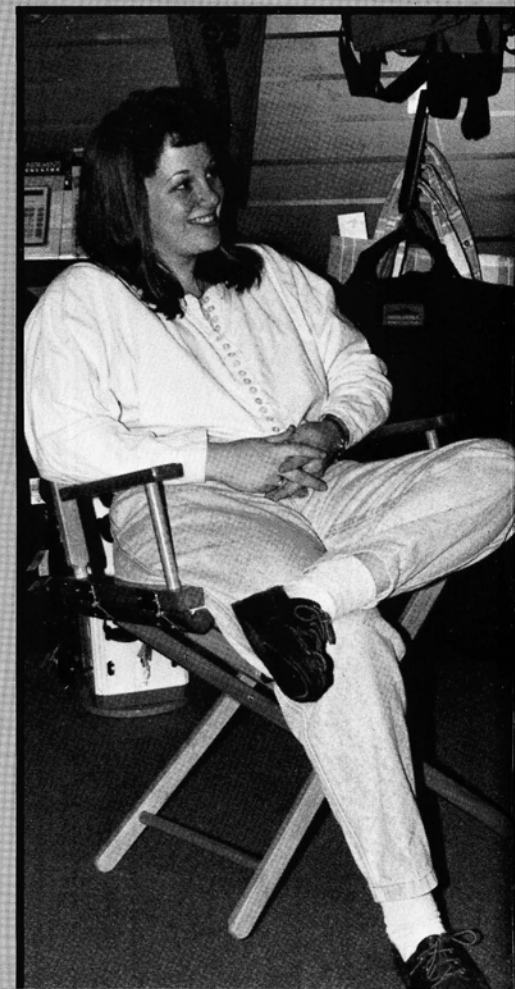

Campus life at ONU seems to revolve around McIntosh Center with most everyone coming in at least three times a day to eat at Marriott (better known as "SAGA"). Just outside of SAGA, the main lounge seems to always have someone doing something - watching T.V., chatting with friends, or talking to someone behind a table that is sponsoring some product or event. Also, the lounge area plays host to many events during the course of the year, such as the Christmas Arts Festival, Musical productions, and Student Planning Committee events.

The bookstore, located in McIntosh Center, is very important to ONU stu-

dents. Especially since metropolitan Ada does not offer some items which, thankfully, can be found right here on campus.

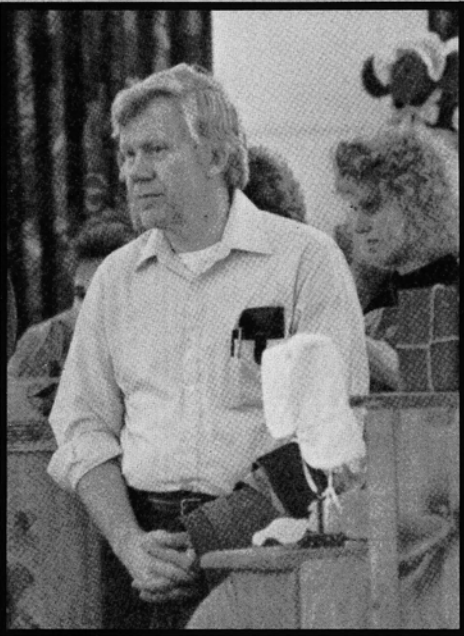

Other things in McIntosh Center that are of interest to everyone at some point or another is the activities room, Wishing Well, White Bear Inn, pocket billiards room, bowling area, ballroom, and a number of different offices.

It has been over thirty years since the original construction of the dining hall and since then McIntosh Center (which was named after a former University President) has grown to incorporate the many needs of students and faculty alike.

## fter-Hours Activities

Academics is the name of the game at ONU and, while it takes a lot of studying to keep up, ONU students do not lack for creativity when it comes to enjoying a little break from the books.

When the weather is cooperative, many students can be seen outside throwing anything from a football to a boomerang while the rest of us duck trying to avoid a knock up-side the head.

Many students make use of the King-Horn Physical Education Center to work out in the weight room, participate in intramural sports, play racquet ball with a friend, or just go over to watch one of ONU's teams compete with opponents in a sporting event.

Back in the residence halls, students find entertainment by playing ping pong, watching T.V., and solving the

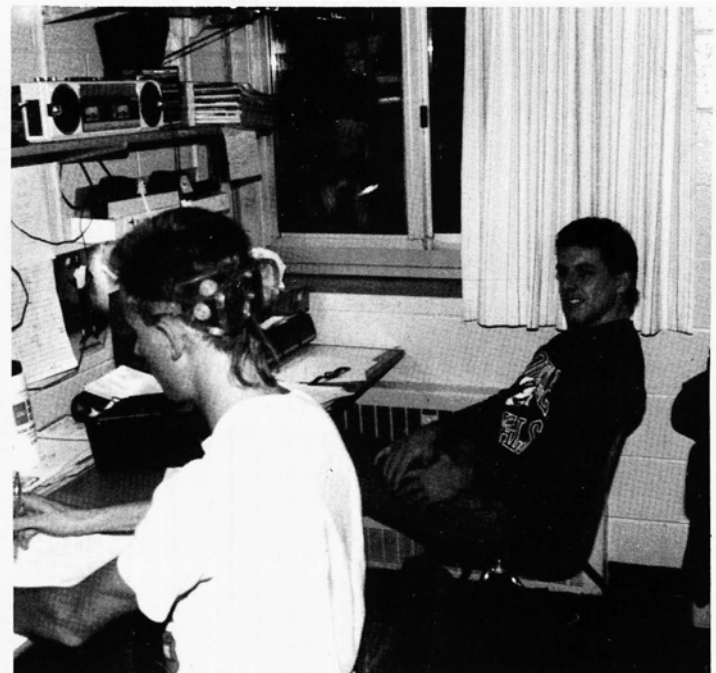

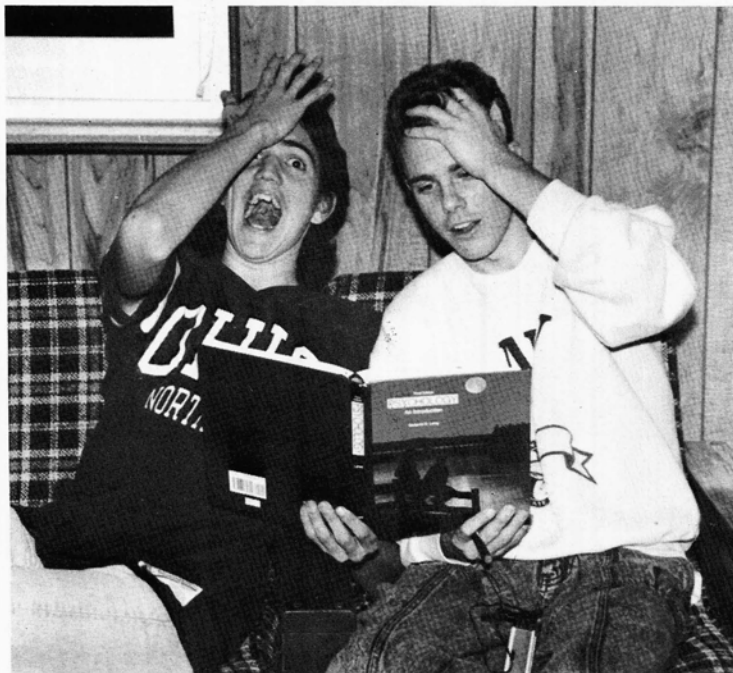

world's problems with a friend. Also included as items of fun are things like tying empty pop cans to a door so that when the occupant comes out the next morning, he quickly becomes wide awake as the cans hit the floor!

Other activities which are both fun and very worthwhile are the many campus organizations that have meetings as well as an occasional parties for their members.

These are some of the many enjoyable things that ONU students find to do; however, since much of the time here is spent studying, you know that just the presence of President Freed handing out exam treats must mean that the big finals are here and that a break is in the near future!

## ake It Last Forever

Homecoming 1989 may well be remembered for the rainy and overcast day that made the football game on Saturday a mud bath. To the hands of Baldwin Wallace, ONU came out on the dirty end of the score 28-7. However, the football outcome and the dreary weather on Saturday did not prevent people from enjoying the events scheduled for the culminating day of homecoming. As halftime got closer, anticipation mounted, with many people speculating on who would be the new King and Queen. Finally, Tammy Severt, the President of the Student Senate, announced Steve Mc-

Candlish, representing Kappa Psi and Libbie Byers of Zeta Tau Alpha as the new King and Queen.

The rest of the court consisted of Sheley Hlad of Delta Zeta, Uma Marthi of Alpha Omicron Pi, Mindy Norris of Maglott Hall, Paula Pasco of Stambaugh Hall, Joe Bahmer of Phi Kappa Theta, Jeff Butcher of Maglott Hall, Jeff Sanner of Sigma Pi and Jim Schneider of Sigma Phi Epsilon.

The alumni returned for a great day of enjoying each others company while they talked of the days when they were hitting the books.

Saturday evening, some of the alumni were still around to mingle with the faculty while ONU students, who went to the dance, enjoyed the opening sounds of ONU's own Arabesque. Later, the Cleveland-based Exotic Birds band performed until late that evening.

The efforts of faculty and students made homecoming a success and this was remembered as the day came to an end. Homecoming only lasted six days, but the good memories are what "Make It Last Forever."

The Delta Sigma Phi brothers represented the Homecoming theme on their float during Saturday's parade.

# The Six Days of Homecoming

Monday, October sixteenth was the first official day of homecoming which saw banners raised in nearly every residence hall and Greek organization around campus. Delta Zeta managed to take first place followed by Phi Delta Chi and Alpha Xi Delta in second and third.

Tuesday was Spirit day and any student that was wearing something with ONU's name or colors on it received discounts from local businesses. Also, a prize was given out to the person who had the most school spirit.

Wednesday, voting for the King and Queen started at 4:00 p.m. The next day the entire court of homecoming candidates performed skits with Bobby Gold as he led the game of Simon-Sez which began at 8:30 p.m. Thursday eve-

ning.

Friday was the day for the annual pushmobile races to be held. However, the weather may have made the contestants wish they had something other than a contraption without a roof! The teams from Alpha Omicron Pi and Sigma Phi Epsilon each took first place in their division. Later that evening the floats for Saturday's parade were in the final stage of construction, as friends pulled together to help.

On the morning of the twenty-first, the little town of Ada came alive as local high school bands along with the ONU Marching Band marched up Main Street playing a variety of songs. The floats that were in the parade were judged by Anthony Gholson, Tammy Severt, and

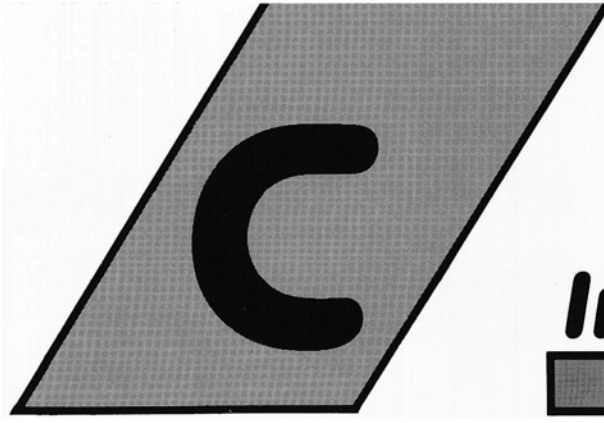

Mike Washington. The winners were announced during the football game later that day. In the fraternity/sorority division, Theta Chi was awarded first place while Sigma Theta Epsilon and Zeta Tau Alpha came in second and third. Also, in the independant category, the Northern House float came in first followed by the Black Student Union and Roberts Hall.

The final day of homecoming started out with a parade that moved along at a good pace with Dick Kain serving as Grand Marshal. Soon everyone ended up at the football field to watch the game and witness the awards. Later that evening, students and friends turned out for the homecoming dance and, with that completed, so ended the six days of homecoming.

# **ampus Improvements**

When ONU purchased the 120 acres of land immediately south of the current campus, it increased the size of the campus by 75 percent, and set into motion a long term building program that is now well under way. The performing arts center is to be the center piece of the newly acquired land with other facilities and athletic fields to follow in the near future. The performing arts center is to have an exterior of brick, stone, glass and a beautiful in-

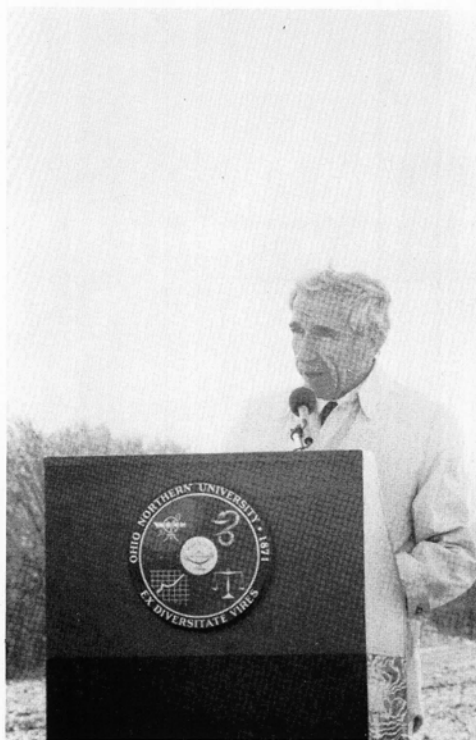

terior design that will carry a modern design well into the future. The theatre/concert hall will have seating for 500, while a studio theatre will have seating for 150. Also included in the building will be the broadcast and production facilities for radio and television, plus classrooms and offices for the Department of Communication Arts.

Other long rang plans for campus growth include an extension of King-Horn that will double the size of the

existing building; construction of an outdoor running track; practice fields for softball, soccer, rugby and other sports; additions to the residence halls; and the addition of new roads that will better serve the campus. These future developments have all been made possible by the recent conclusion of the largest fund raising effort in the history of the university which raised over 23 million dollars.

## G.I.F. Club

On the first Friday of every month, a nightclub atmosphere is arranged in the White Bear Inn that is known simply as the "T.G.I.F. Club." It was developed by the Student Planning Committee as a non-alcoholic alternative for weekend entertainment. From jazz bands to co-

medians, honorary waiters and waitresses to special T.G.I.F. glasses and decorations, the campus community always has something different to look forward to when the T.G.I.F. Club takes over the White Bear Inn. The dress code (no shorts, T-shirts, or jeans) along with

a special menu all help to enhance the nightclub atmosphere. Thank God it's Friday is something we can all relate to, but when the first Friday of the month rolls around, *T*hank *G*od *I*t's *F*riday takes on a whole new meaning.

## ittle Sibs

Lil' Sibs weekend, April 6th and 7th, brought teddy bears and sleeping bags to ONU. Both parents and ONU students enjoyed this weekend of adventure, parents for the weekend off, and students for a return to childhood.

The weekend was packed full of activities for siblings of all ages. Between

Friday evening and Sunday noon the little sibs enjoyed movies, dancing, free bowling and billiards, swimming, a ping pong tournament, and lots of food. Some siblings got the full effect of college by eating in the cafeteria, ordering pizza, roaming up to Hardee's for a late night snack, and even the experience of

the famous "all nighter" (of course they weren't studying).

When the weekend finally came to an end, students said good-bye to their sibling, and then it was time to hit the books that had been left untouched over the weekend.

# ight Night

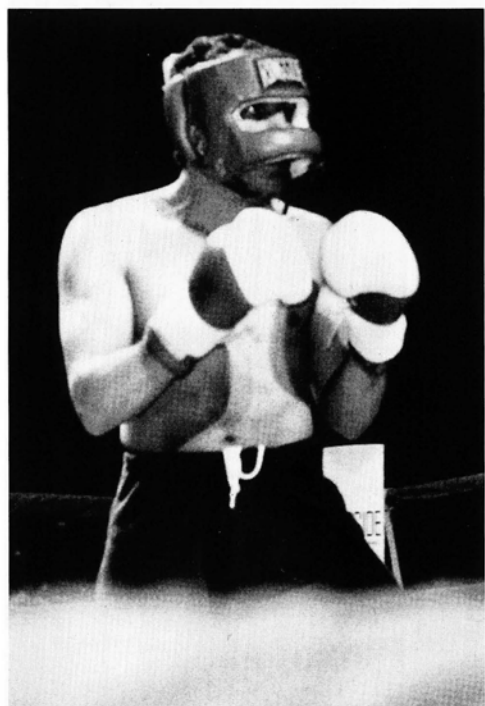

Under the blaze of spot lights and the guise of a multi-media event, the 12th annual Park Hall fight night escalated into moments of high excitement for the spectators that packed ONU's gymnasium. There were a total of six bouts with some contests going the full three rounds while others lasted only a few short, action-packed moments. The fighters were privileged to have as an

honorary referee IBF World Light Heavyweight Champion Prince Charles Williams.

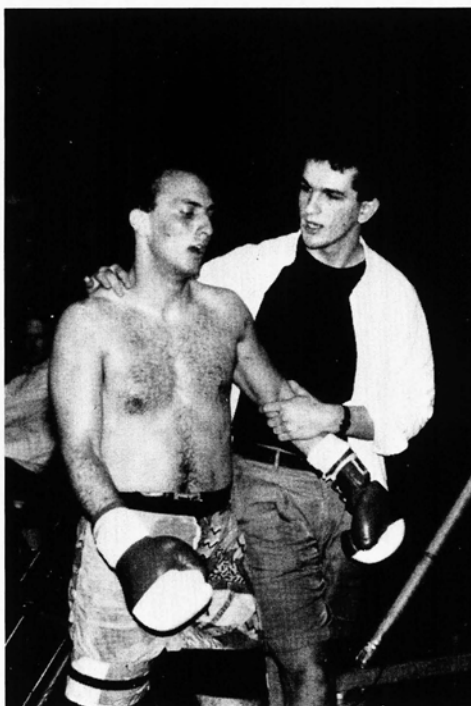

There were a great many individuals as well as businesses that sacrificed and contributed with their time and energy to make Fight Night a success. The \$1200 in proceeds went to the Ada Chapter of the United Way.

# ounds of Music

The range of music that is present on ONU's campus covers just about everything that any individual would enjoy. From marching band to concert band, musicals and jazz ensembles, Added Attraction performances to Beethoven's 9th Symphony, ONU students and faculty produce and enjoy a variety of sounds.

On March 31, 1990, 44 ONU students and 5 faculty members were privileged to perform the rarely played Beethoven's 9th Symphony with the Lima Symphony Orchestra. Other events throughout the year included a piano recital by Rosemary Williams, in which she played music from six countries, and a trumpet recital by Dr. Edwin Williams, in which he played music from the Baroque period through the 20th century. The ONU music department sponsored several con-

certs throughout the year such as one on February 8th which featured the Woodwind Ensemble and the Percussion Ensemble, and one on February 12th which included the Brass and String Ensembles. The winter band concert was held on February 11th in the King-Horn Center and featured the Wind Ensemble and the Concert Band. In addition to these performances, the Gospel Ensemble and other groups from the chapel had performances on campus as well as on the road.

As usual, the student's of ONU responded enthusiastically to the variety of music. This is evident by the clapping, whistling, yelling, and sometimes screaming of students. Overall, whatever the music, it gives students and faculty a welcome relief from the books.

# erforming Arts

What happens to a dream deferred?  
Does it dry up  
Like a raisin in the sun?  
Or fester like a sore-  
and then run?  
Does it stink like rotten meat?  
Or crust and sugar over-  
Like a syrupy sweet?

Maybe it just sags  
Like a heavy load.

Or does it explode?

-Langston Hughes  
1951'

This poem came from the program of the play The House of Blue Leaves, which was performed by ONU students. It like many other plays brought out the symbolism in this poem. The Department of Communication Arts at Ohio Northern has many talented actors who performed in the successful productions of The House of Blue Leaves, Blue Window,

Jesus Christ Superstar, and Chicago.

The 1989-90 year started September 26 with an unusual comedy, The Complete Works of William Shakespeare (ABRIDGED) performed by the Reduced Shakespeare Company. The program opens with a WARNING label stating that this comedy is a condensation of all of Shakespeare's plays and is like a high-speed rollercoaster. Obviously, the Works of William Shakespeare took on a new meaning.

The first production by ONU students was on November 1-4, 1989, in The House of Blue Leaves. The setting of the play is in a cold apartment in New York City. It is about how a family lived together, but were still isolated from each other in their own separate worlds. Dreams are set like goals, work was done to achieve them, and failure was the outcome.

"Sometimes funny, sometimes sad comedy that revolves around the theme of **loneliness**," is the idea of

the play Blue Window. Performed on January 31-February 3, 1990, Blue Window can be characterized as "the world's first one-song musical." Jesus Christ Superstar, a playwright's interpretation of the Biblical account of the life of Christ, was the feature in March 1990. It was performed in the English Chapel giving it a setting that was in accordance with the meaning of the play.

The performing year ended with the production of Chicago on May 2-5, 1990. Chicago portrays 1920's women with flashy legs, gangsters, and gin. It was a series of vaudeville acts with a cynical content that made this production unique.

Enjoyment not only came from audience response to the productions, but also from all of those involved in making the productions. ONU students and faculty appreciate the time and effort given by the Department of Communication Arts and look forward to upcoming performances.

## ***unes on the Tundra***

Tunes on the Tundra gave meaning to the slogan "Grab your blanket and crank it." ONU students did just that as they sprawled across the lawn for an afternoon of enjoyment and relaxation. Even though rain was in the forecast it held off, probably due to the loud music.

The program consisted of six bands which played from eleven o'clock until sundown. The Back Doors, rival band of

the Doors, made an excellent first impression at ONU. A Detroit-based band, Caruso, returned from years past and showed promising dance music. The Reggae band, First Light, from the Flats of Cleveland made their first appearance at ONU. TRC returned from last year and, once again, proved their talent. Finally, The Affair, commenced the evening with good-hearted rock and roll.

## onors Day

Honors Day 1990. Some honored it by sleeping in till noon, while the majority of the ONU faculty and staff honored those students whose grades were a testimony of the fact that they were not sleeping while it was time to study. Honors Day brought many proud parents and friends to ONU on May 3rd to witness for themselves the reality

that work was not just being completed, but accomplished with pride and the desire to do well academically. The schedule of events for the day was very full, starting at 8 o'clock and going till 6 p.m. with some 28 different honorary programs. At 11 o'clock, there was an assembly in King-Horn for the entire university community at which Dr. John L.

Henderson, who is the President of Wilberforce University, spoke to the faculty, parents and students in attendance.

After all was said and done, the students who had worked so hard were congratulated, and those who had stayed in bed enjoyed their day off.

# raduation Day

How can anyone correctly state the paradox of graduation from college? Years of study and dedicated sacrifice are combined in one glorious moment on graduation day; while at the same time, the feelings of loss involved in leaving your nurturing mother — your alma-mater — are very hard to hold

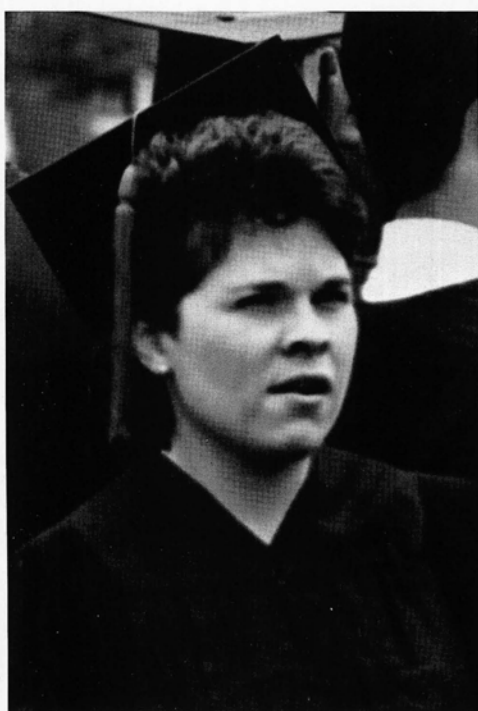

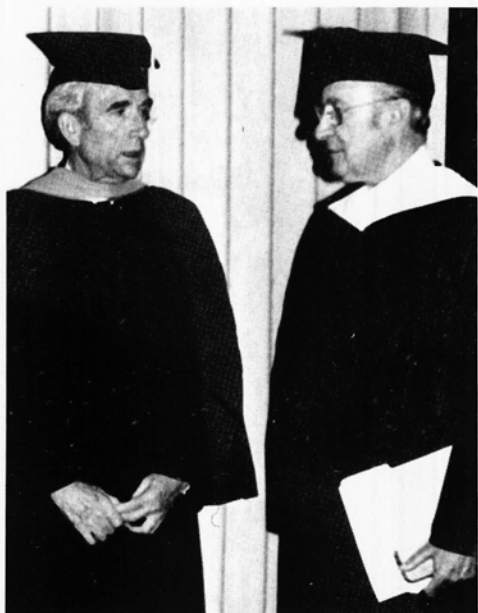

back.

The schedule of events started on Saturday, May 19th with the rehearsal for the Law Hooding Ceremony. Commencement Rehearsal followed in the afternoon and then a reception at President Freed's was open for all graduating students, their families, and

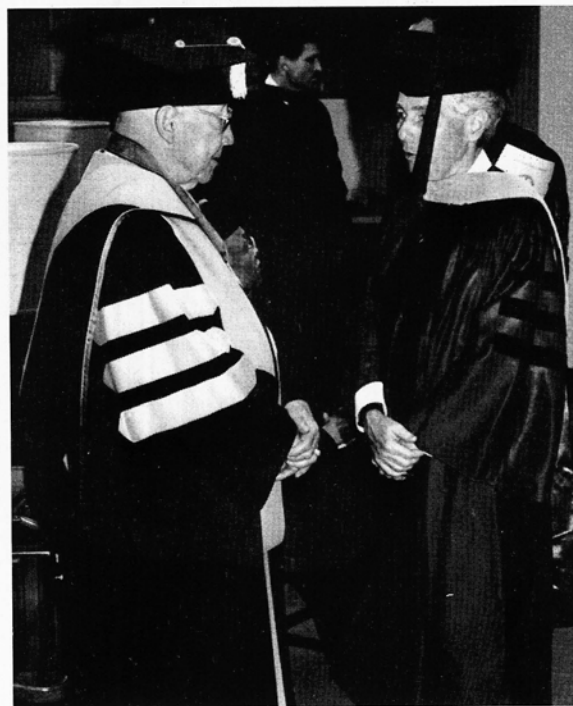

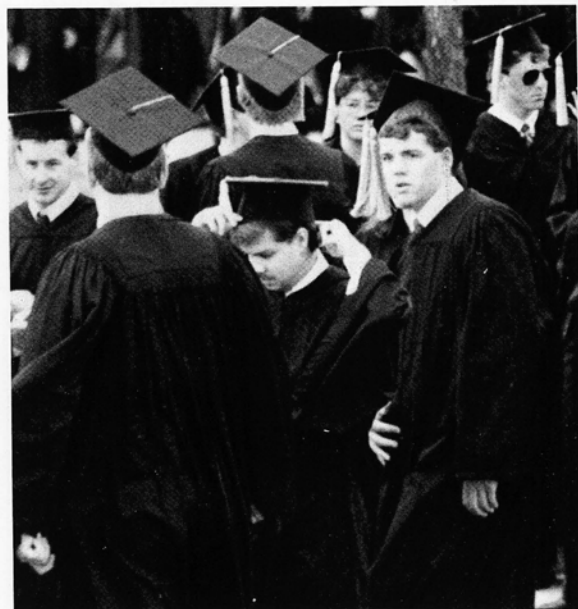

friends. The Graduation Banquet was held that evening in the cafeteria which was very much dressed up for the occasion. In fact, the entire campus was gone over many times by the ONU grounds crew in an attempt to make the campus as beautiful as possible for this graduating class of 1990.

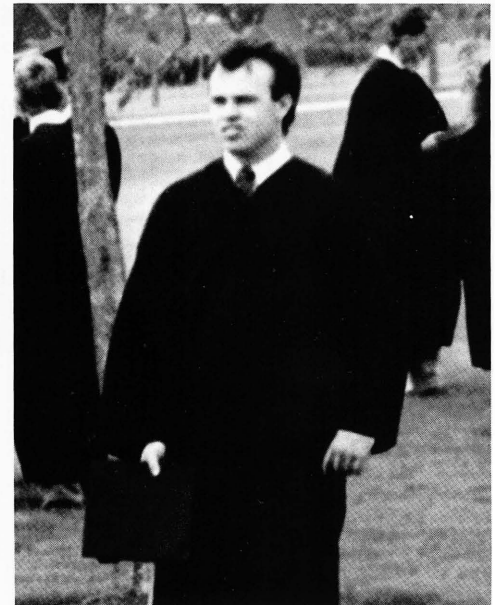

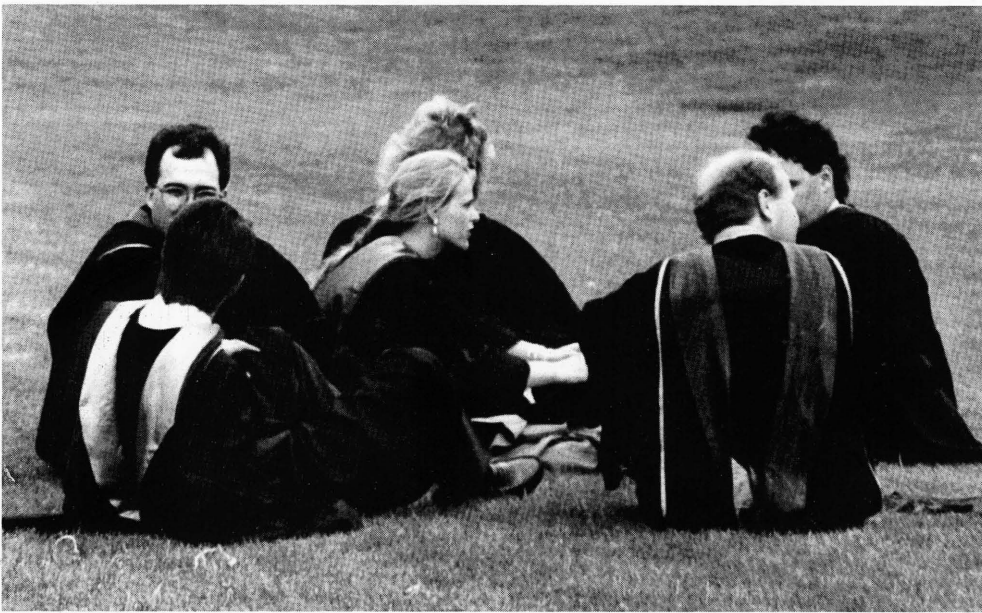

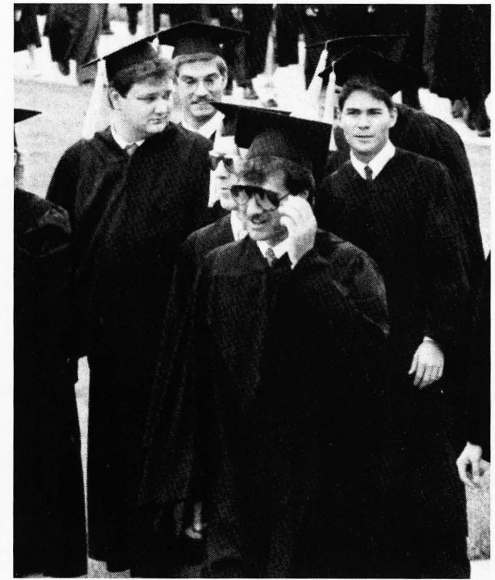

Sunday, May 20, 1990, is a day that will live on forever in the minds of over 500 graduating seniors. For it is this day that represents one of the greatest achievements in their lives. From the college of Arts and Sciences, 136 individuals were scheduled to graduate. Pharmacy had 118, Law had 110, Business had 77, and Engineering rounded out the list with 74. Each of these people, with their own special talents and abilities, will now move on to serve mankind with the knowledge gained in their respective fields of study.

# Three Cheers for Cheerleaders

Go! Fight! Win! Words like these have the potential to stir crowds of cheering fans, to inspire tired athletes and to create an over-all feeling of spirit and excitement. However, as they appear here they are just words. They are missing that certain spark that exists in the voice of a cheerleader.

The cheerleaders are there in the rain and the cold. They practice their cheers and chants for hours. The intricate stunts the cheerleaders perform require agility and coordination. They sustain injuries, get tired and experience the general ups and downs that

are part of participating in any sport. But even though their legs may be aching and their throats may be sore, the cheerleaders always wear smiles.

Through all these trials and tribulations the cheerleaders offer nothing but praise, en-

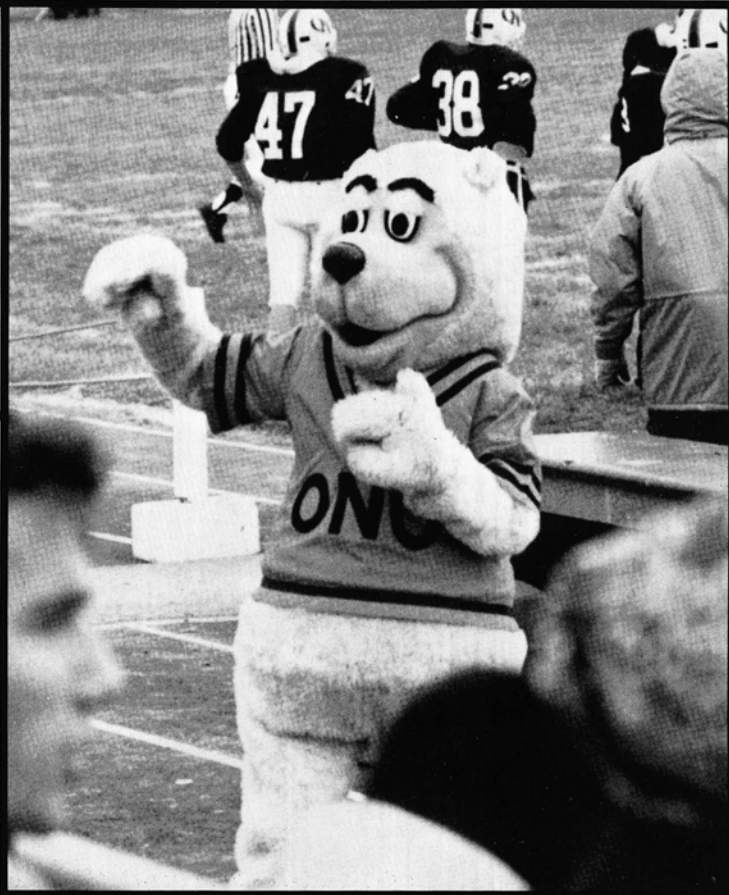

thusiasm and encouragement. Their dedication is inspirational to all the teams they support.

Cheerleaders are (front row)Jacquie Buckley, Karen Peters, Jodie Steegman, Judie Steegman, Deb West.(back row)Mike Blackburn, Brian Odell

Performing a chant, the cheerleaders try to inspire the football team to a victory.

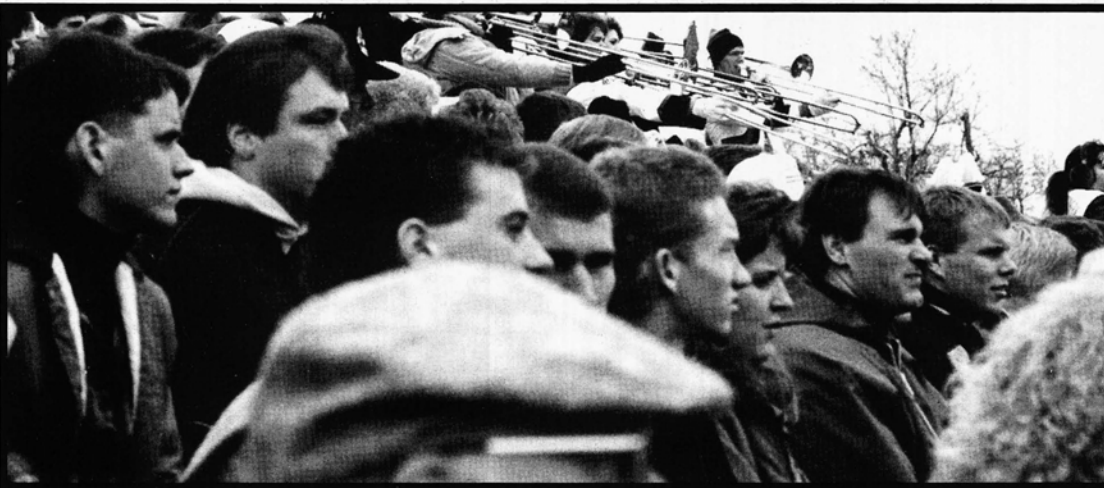

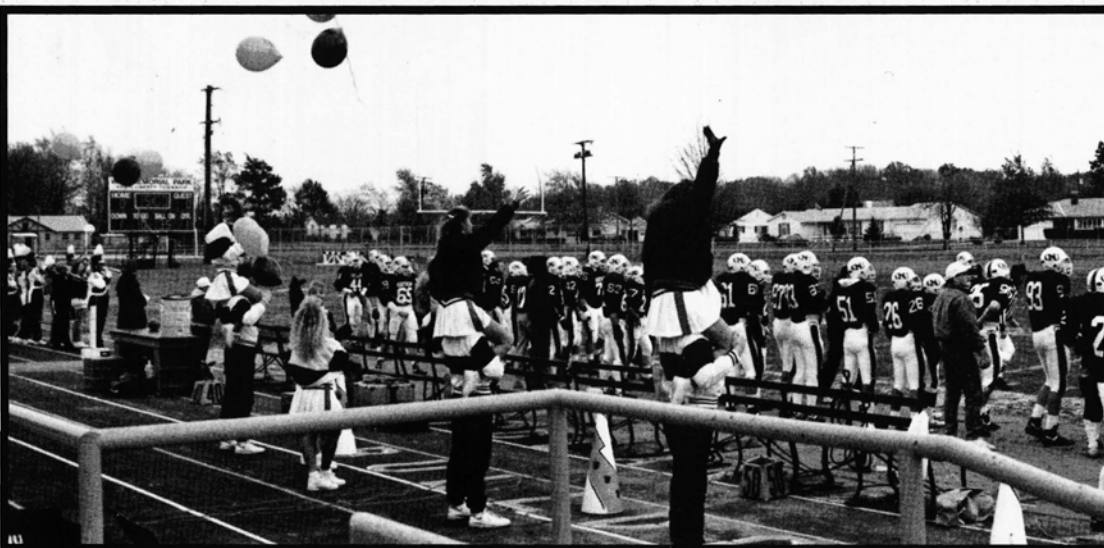

The ONU polar bear stirs up the crowd at the football game against Baldwin-Wallace.

# A Season of Ups and Downs

Topsy-turvy. That had to be the best way to describe the 1990 track season. Women's coach Phil Gorden took over as interim coach for the men's team and both teams thrived under the leadership.

With seven returning lettermen for the men's team, the squad was ready for an improvement over last year. The men put forth a great effort at the Ohio Athletic Conference invitational as freshman Scott

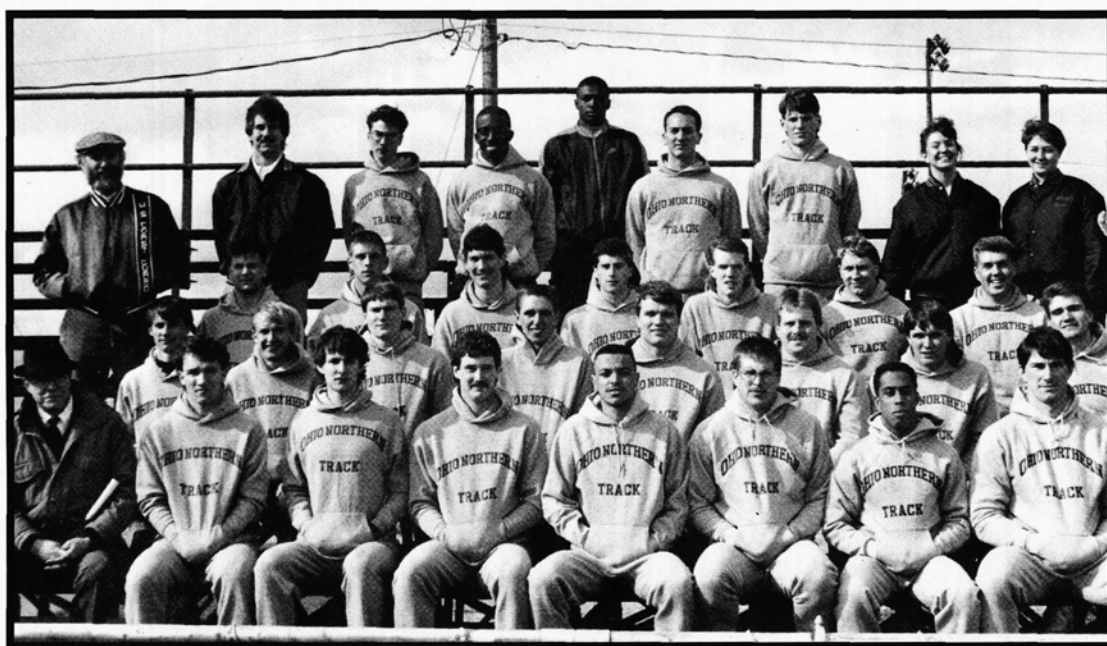

Strahley captured a second-place finish in shotput with a toss of 150 feet. With a toss of 136-6, teammate Mark Harper grabbed a fourth-place finish. Freshman Ryan Merrick pole vaulted 14'0" to capture a fifth place finish. Scott Strahley was voted ONU most valuable player for field events. Also placing were Brian Dingo with a third-place high jump, and Barrett Moser with a third-place finish

in the 400-meter hurdles. Moser set a school record in the 400-meter hurdles with a clocking of 54.76. Sean Forde was voted most valuable member for his finishes in the 100-meter dash and the 400-meter relay.

The women's team also fared well individually although they had a seventh place finish. Chris Mazzafero placed third in the 100-meter dash. Mazzafero was voted

the most valuable runner for the women. Laurinda Lotts placed third in the women's discus with a throw of 119'7" and was voted most valuable field member.

With the large number of underclassmen, both teams gained a large amount of experience. Under the leadership of coach Phil Gorden, both teams look to a very bright future.

# Awesome Season

"This season can be awesome. We have the potential to make it to the final four." Coach Sheila Wallace probably did not realize how true these words were when she said something to that effect at a pre-season volleyball practice. However, these words of encouragement proved to be prophetic. Not only was the women's volleyball season awesome, but it was so awesome that it ended with a trip to the NCAA championship tournament in St. Louis.

After some early season difficulty, the women suc-

cessfully pulled together. With dedication and teamwork, the women's volleyball team ended their season with only six losses in thirty-nine matches.

The Lady Bears also attained a long list of individual achievements. Tammi Youngen was first team All-OAC, first team academic All-OAC, third team academic All-America, as well as NCAA Div. III final four All-Tournament. Mary Hockett led the OAC in assists and was second in the nation in assists. Hockett was also second team All-OAC, and sec-

ond team academic All-OAC. Sara Stewart also received individual honors. She was player of the week twice during the course of the season. Other honors Stewart received include first team All-America, first team all-midwest, first team OAC, and first team academic OAC. Coach Wallace was also honored this year for coaching her 500th victory.

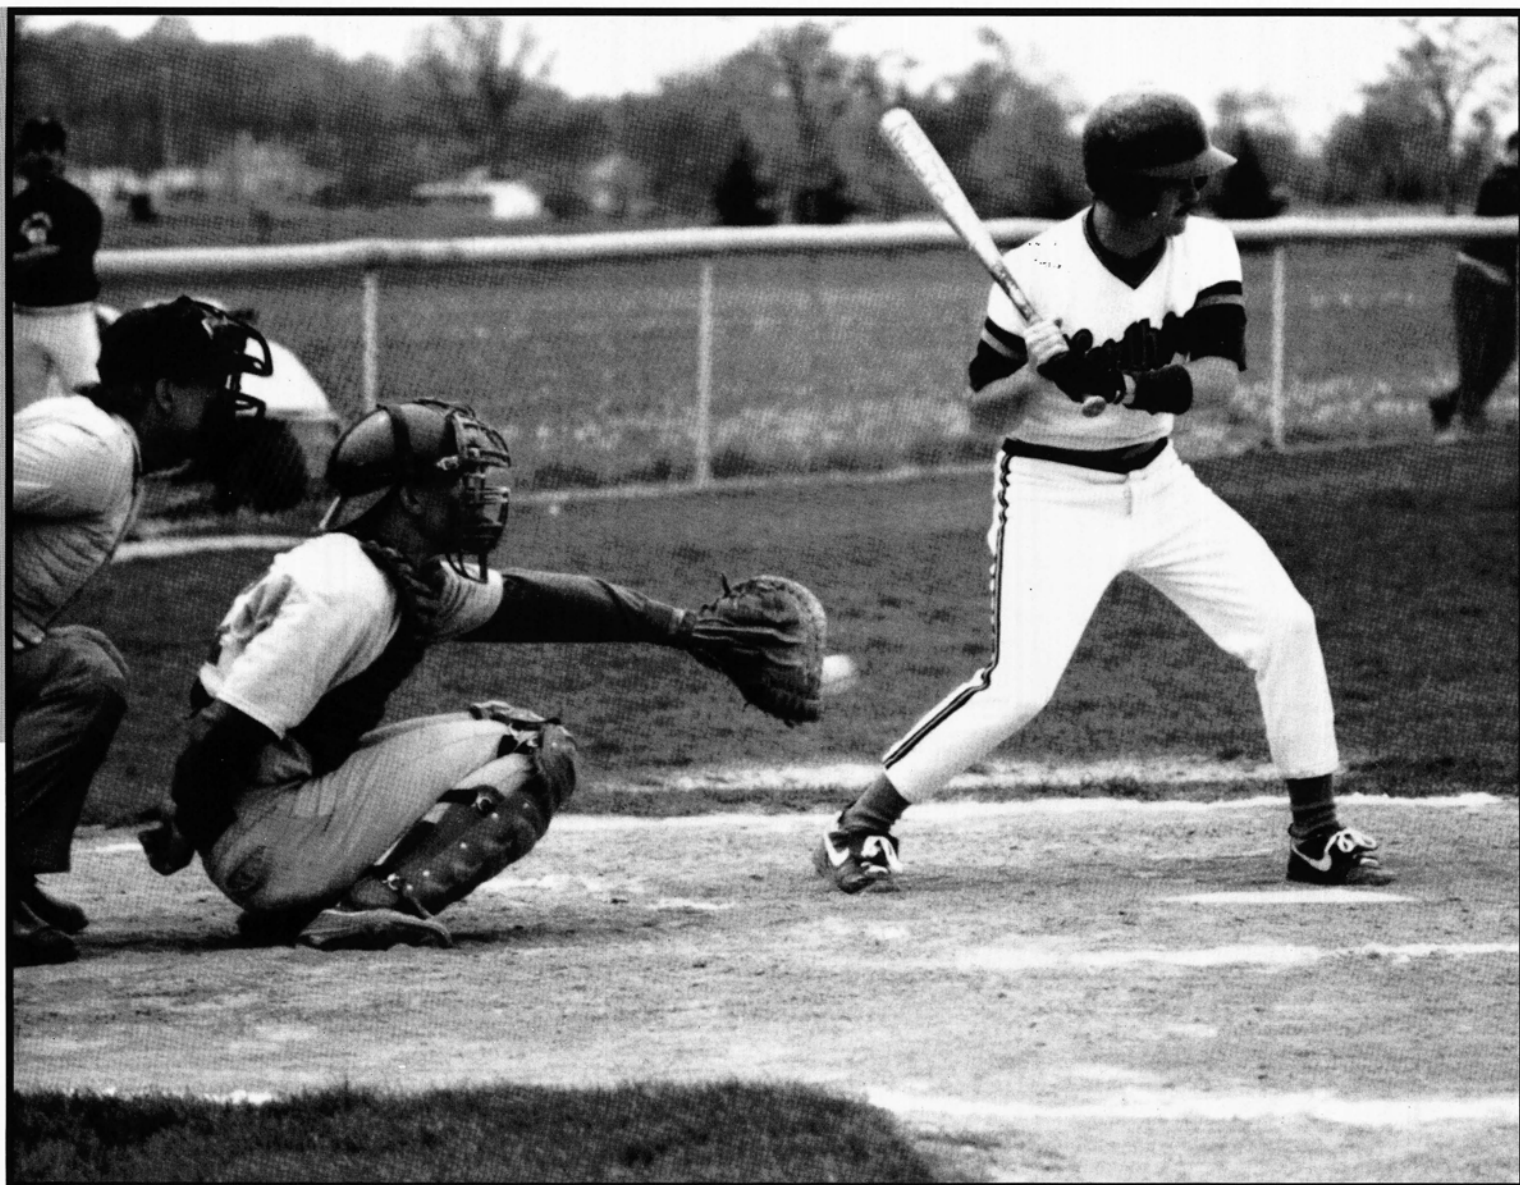

The season was awesome, but the culmination of it all was in the trip to the final four in St. Louis, Missouri. The lady bears defeated Menlo (Ca.) in their first match (15-

9, 15-11, 6-15, 15-12) to advance to the finals against Washington University. It was a tight match but Washington came out on top (15-10, 15-9, 15-11). The volleyball team returned proudly to ONU with the NCAA runners'-up trophy.

The women's volleyball team displayed a level of dedication and sportsmanship that everyone can be proud of. They showed ONU that being awesome takes hard work and spirit, and they made it look so easy.

# Topsy-Turvy Season

It was a Baseball season of ups and downs. From a successful road trip to start the season, to a first place lead in the Ohio Athletic Conference, to missing the OAC tournament, the team went through the best and worst of times.

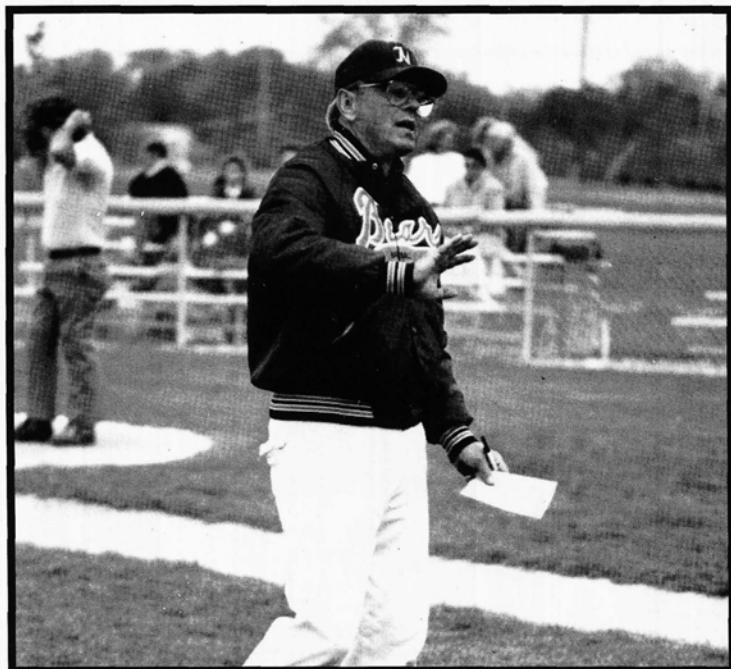

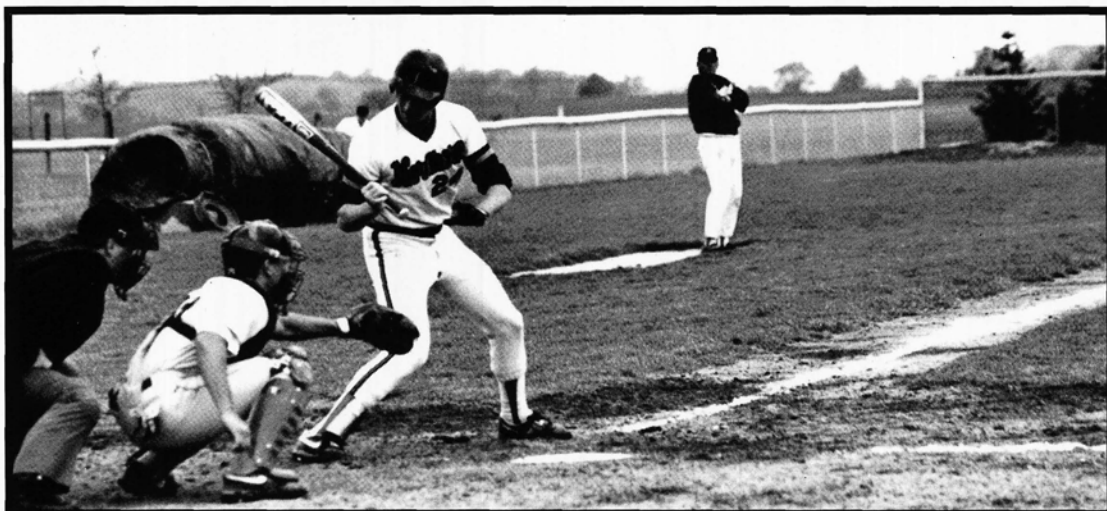

The Polar Bears finished the season with a very respectable final record of 24-11 (12-6 in the OAC). The team also secured many individual honors. Pitcher Tracy Mitchell, center-fielder Andy Parr, and catcher Bo Hoppe were named honorable mention All-OAC. Senior second baseman Wally Powers was named honorable mention Academic All-OAC for the sec-

ond year in a row. Right fielder Bill Welgross was also given an honorable mention Academic All-OAC. Other honors earned were those of Tracy Mitchell, Fernando Ruiz, and Tim Martin, who ranked one-two-three respectively in the OAC final earned run average statistics. Ruiz ranked third in strikeouts with an average 8.21 per game. Wally Powers was sixth in stolen bases in the conference. Ohio Northern as a team was sixth in the conference batting, sixth in scoring second in pitching, and sixth in fielding.

A crucial loss came against Muskingum College late in the

season. The Polar Bears needed one win in their doubleheader against the Muskies to ensure a spot in the OAC tournament. But the Muskies swept the Bears, giving Ohio Northern a fifth place finish and therefore falling one place short of OAC tournament competition.

Although the season ended differently than expected, the Bears were still positive about the season. The team was proud of their improvement and individual accomplishments and look back on the season as a successful one.

## Slow Start Hurts Lady Bears

It had its high points and its downfalls. With a slow start to the season, the Lady Bears worked uphill the rest of the year. But after an 8-3 win over Capital, things began looking up for the team. The Lady Bears then took a pair of wins from Marietta and the winning streak began.

"It's always tough when you lose that many seniors," said coach Gayle Lauth on the inexperienced team she had this year. The Lady Bears had only five returning letterman and crowded behind the leadership of senior Corinne Schaeffer. Schaeffer hit .370 with a total of 34 hits to lead

the team. Schaeffer was named to the Academic All-OAC softball first team for the third time. Shortstop Nancy Piehl earned first team All-Central Region honors. Chrisy Lauber was also named first team Academic All-OAC.

The 1990 season gained

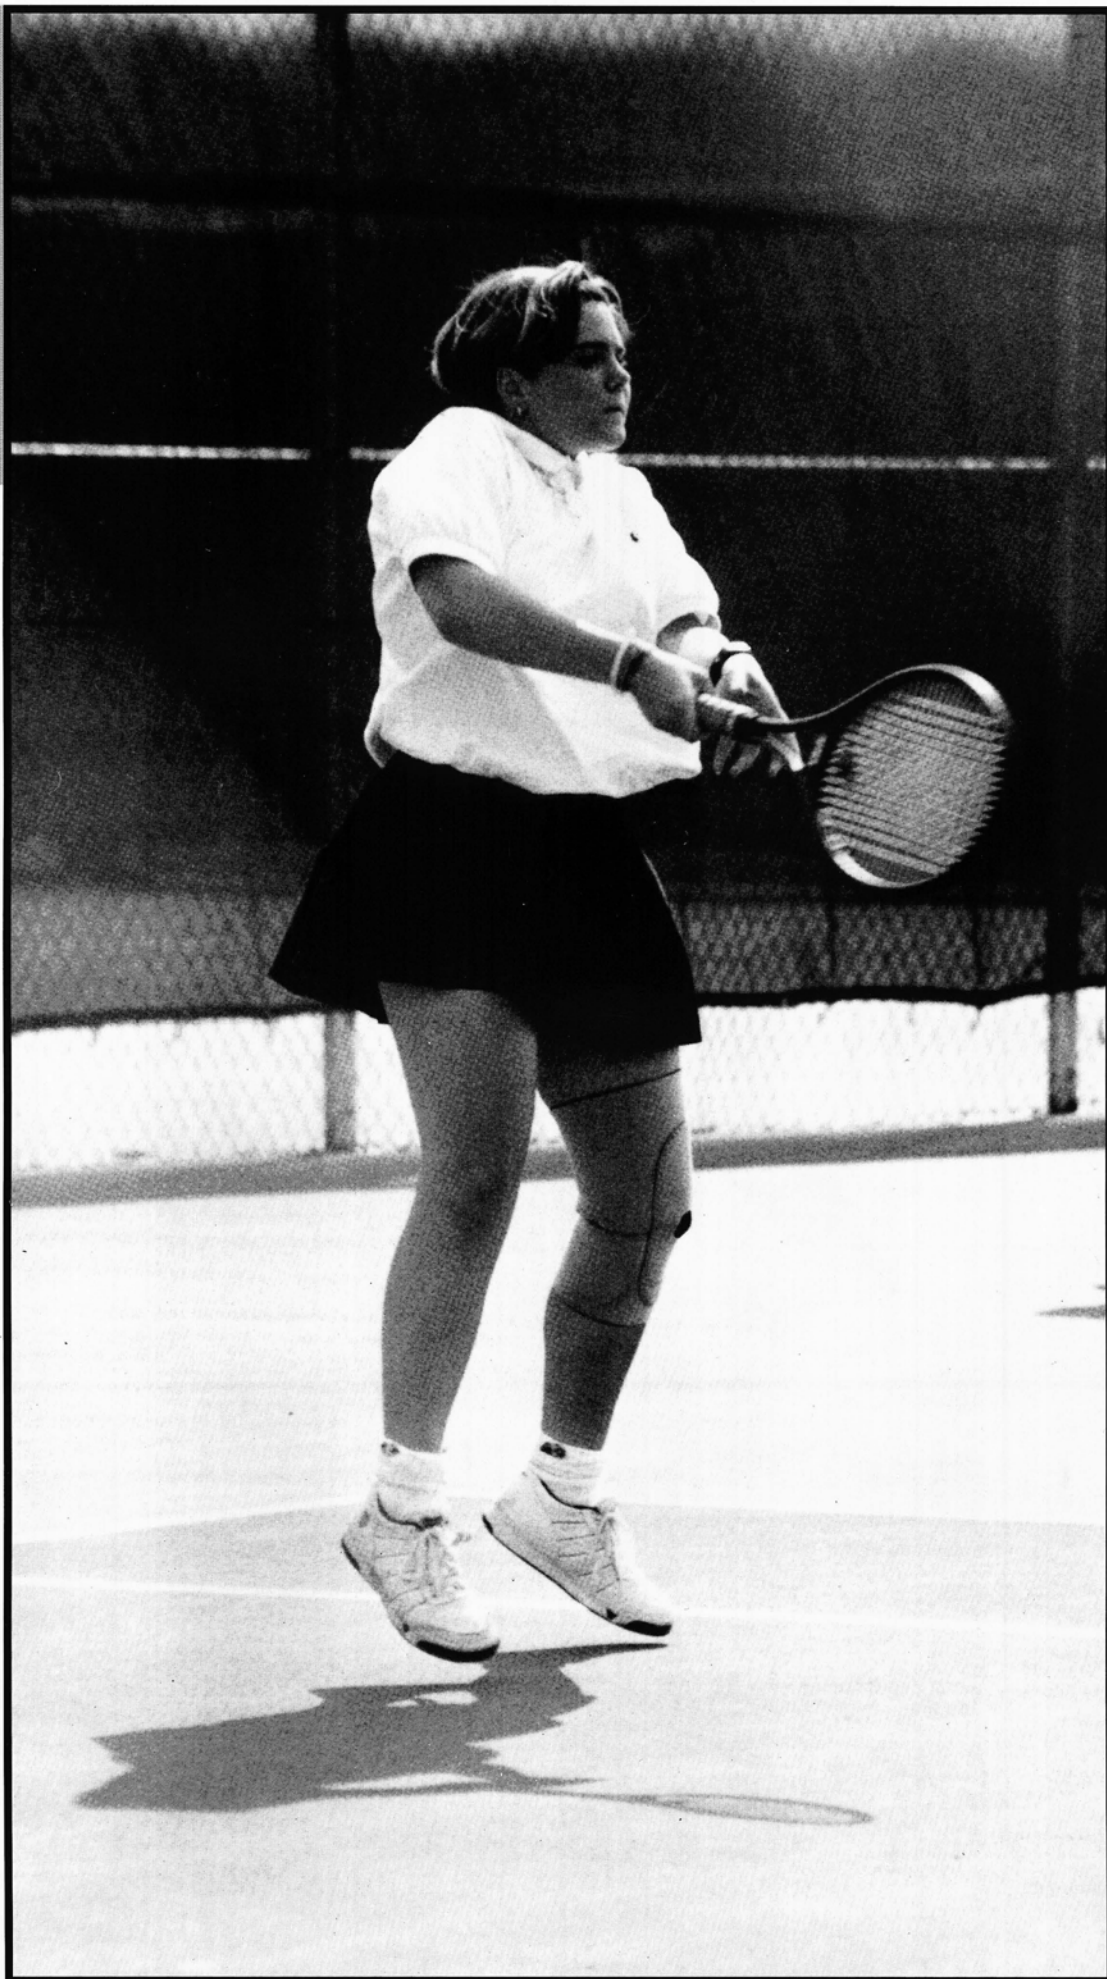

experience for many. Freshman pitcher Erin Noffke hurled a great season while freshman Doede Donough also contributed greatly to the team. The Lady Bears look to the future after the experience gained this year.

# First Doubles Seizes Title

With an overall record of 5-7, the 1990 tennis season was a challenging one for the Lady Bears.

Plagued with rain delays and cancellations throughout the season, it was almost impossible for the team to start a consistent winning streak.

But the team finished

strongly at the Ohio Athletic Conference tournament, securing a fifth-place win with outstanding individual performances. Fifth singles player Denise Tangney and sixth singles player Renee Ralph reached semi-final action. Tangney and Linda Muhlenkamp were defeated

in the finals match at third doubles. But the highlight of the tournament was the victory of seniors Angie Joseph and Anne Pfeiffer in the first doubles category. Entering the tournament unseeded, Pfeiffer and Joseph defeated the third, second, and first seeded teams to capture the

title.

Coach Dexter Woods and team are looking to a more successful season in the coming year. "Next year's success depends on two things: we have to recruit a strong freshman class and our returning players must improve over the next year." summarized Woods.

# Good and not so Good

What a great start for a season! Romping Palm Beach Atlantic 73-48 in a pre-season game in West Palm Beach, Florida, was a confidence booster for all team members. The rest of the season was not to be as easy.

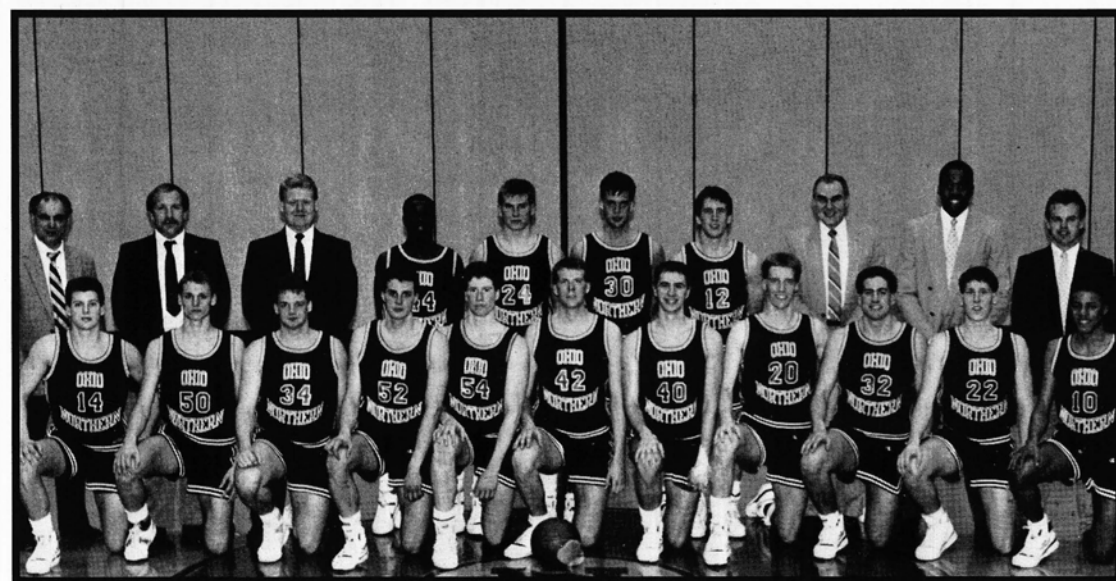

The Bears finished with a final record of 12-14. It was a year of senior leadership and a year of experience for the young team. "Our younger players grew up a lot, and I think the foundation for the future is there," said coach Gale Daugherty.

With captains such as Mike Bertke, Dan Priest, Chris Sweeney, and Mick Pecko, the squad had a strong base for the young team. Other upper-classmen contributors such as Thad Eikenbary, Jeff Anderson, Matt Hargett, and Craig Wing also led the team. Bertke was voted most valuable player and also won the defensive award. Eikenbary won the awards of playmaker and the red badge of courage.

There were many high points to the season including a victory over number two Hei-

delberg and number five Capital. The team also pulled together under the leadership of Jeff Anderson to win the Colonial City Classic tournament in Mount Vernon. Anderson was named M.V.P. of the tournament. Mike Bertke was named to the Academic All-Ohio Conference with Jeff Anderson receiving an honorable mention.

With a young team including freshman Marc Gooden returning, the prospects for next year are good.

## Positive Season!

With a 15-8 final record after finishing the Ohio Athletic Conference tournament, the Lady Bears finished the season strongly. Pre-season, coach Gayle Lauth was very unsure about the outcome of the season. But looking back, Lauth terms the season as "very positive in many respects."

With the graduation of five seniors, Lauth had only one player with varsity starting experience. But Lauth's young team managed to pull through. Senior guard

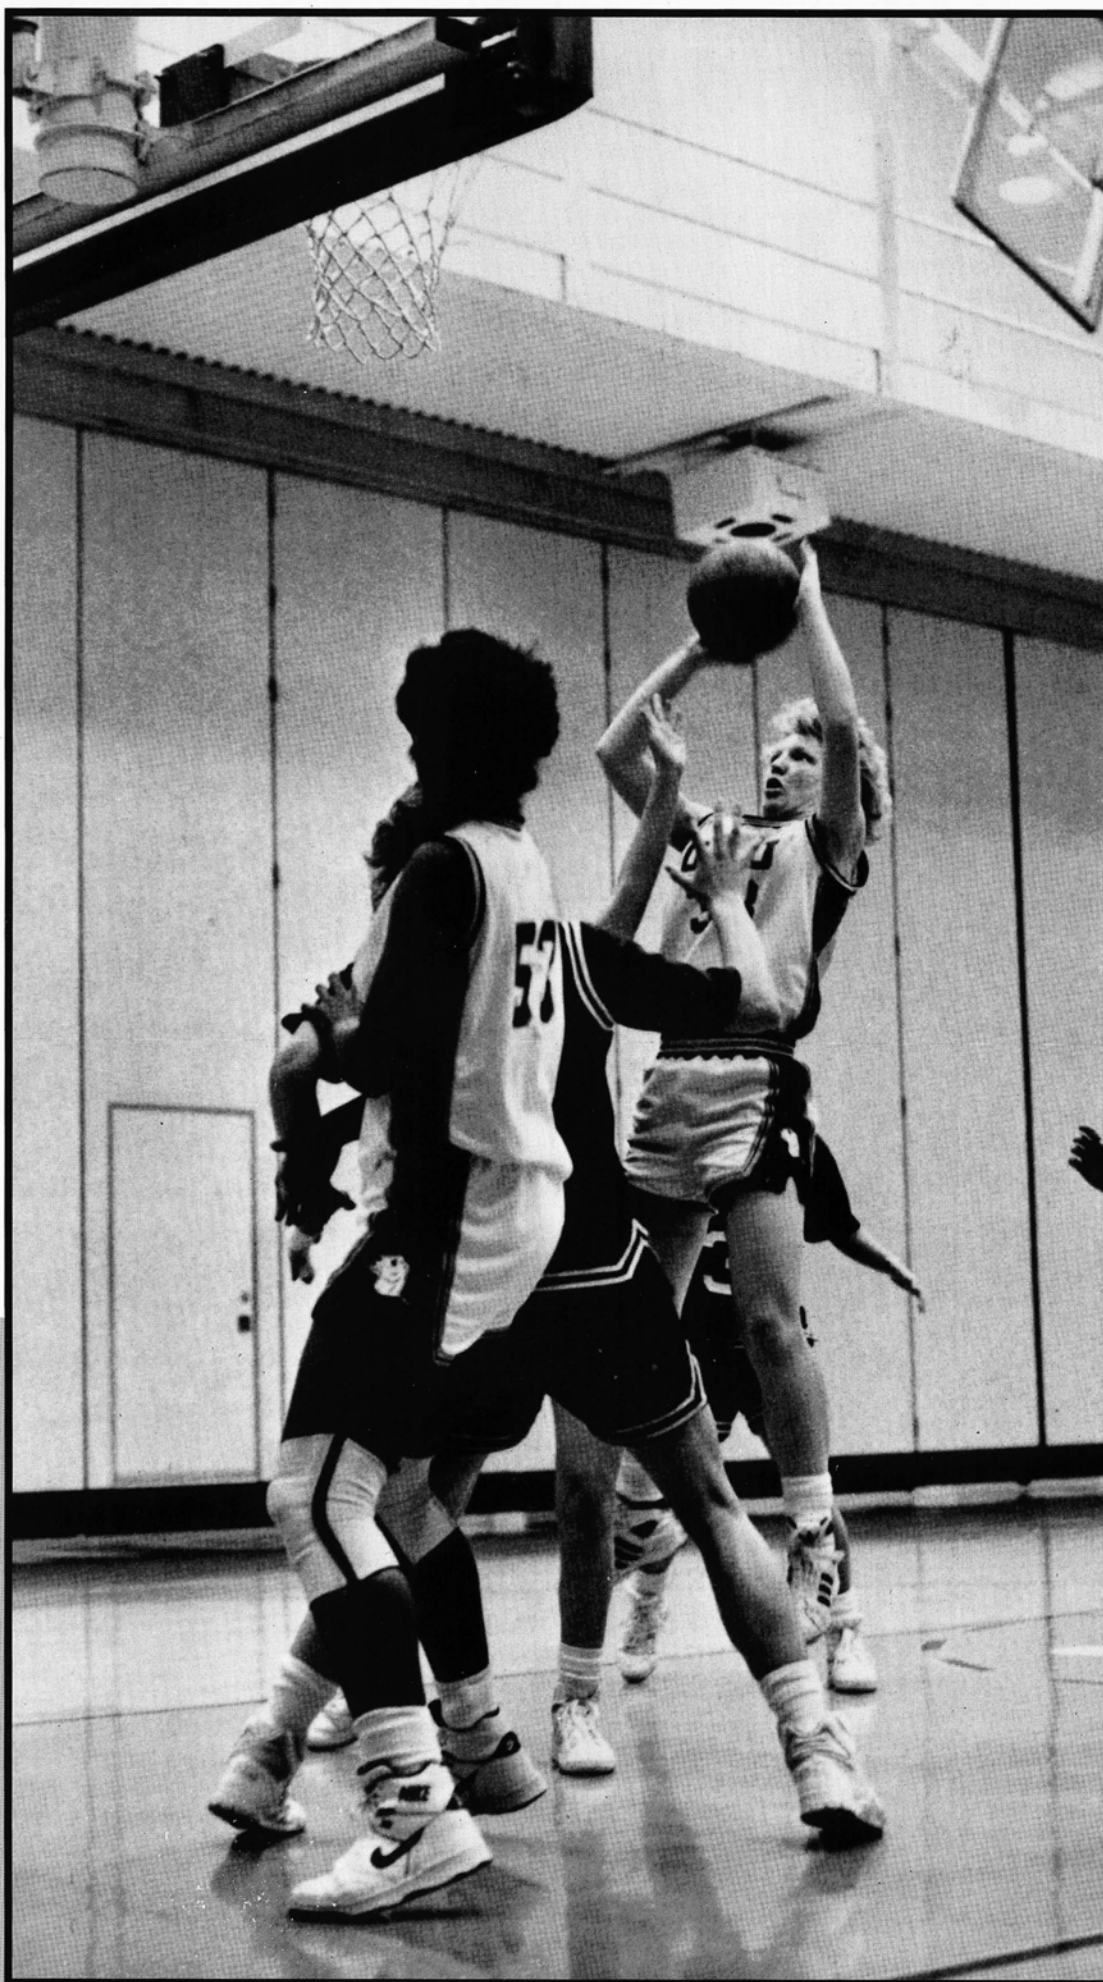

Corinne Schaeffer was named to the second team All-OAC. Schaeffer, averaging 11.5 points-per-game and was selected as third-team Academic All-American by the College Sports Information Directors of America. Sophomore forward Lori Trame was also named to second-team All-OAC. Junior forward Dawn Hill and sophomore Laura Allen were recognized with honorable mentions.

After winning their opener, the team was plagued with

losses before hitting a consecutive winning streak around mid-season. Entering the OAC tournament, the Lady Bears were third seed but fell to second seed Capital, 84-70, in Columbus. The team was disappointed in the loss, but were still positive on the season overall.

Finishing third place in the OAC after an initial 1-4 start was quite an accomplishment. Overall, Lauth termed the season as one of strong team spirit and emotional growth for all.

Jumping over her Marietta defenders, Lori Trame makes an attempt for two points.

# Individuals Triumph

After twenty-three consecutive winning seasons, a twenty-fourth seemed inevitable. With a final 12-6 record, the Ohio Northern wrestlers did indeed achieve this goal. And with a fourth place finish at the Ohio Athletic Conference tournament, the wrestlers had a positive, if not spectacular, end to the season.

For the third straight year, senior Brad Rogers competed in the national NCAA Division III tournament at Ithaca

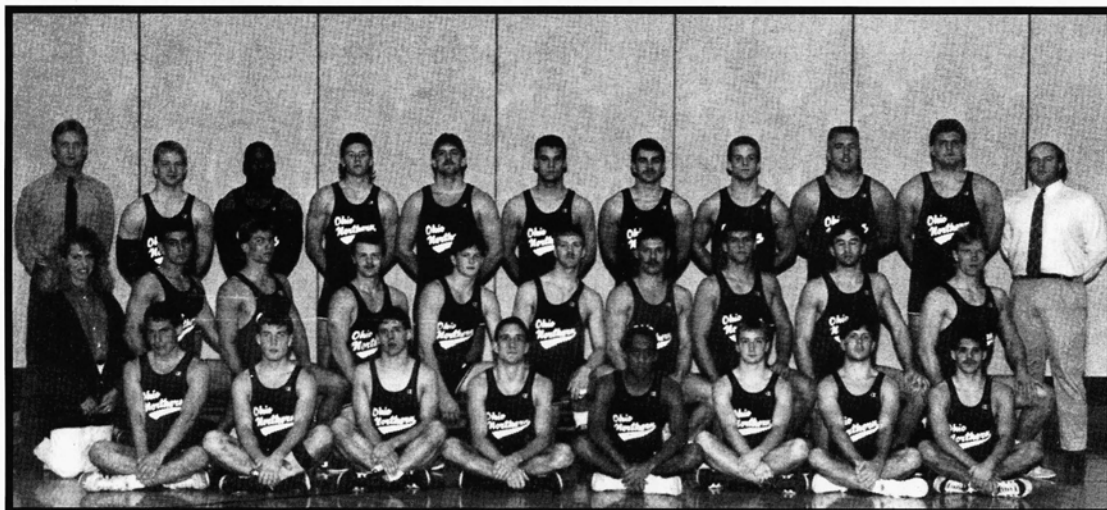

College, New York. Rogers qualified for the tournament by placing second in the OAC tournament.

The team competed mostly in tournaments instead of dual or triangular matches because it allows for more participation. The Bears competed in invitationals at Defiance, Baldwin-Wallace, Heidelberg, Thiel, and Wheaton. On December eighth and ninth, the matmen hosted the Ohio Northern Invitational. The Bears finished fourth

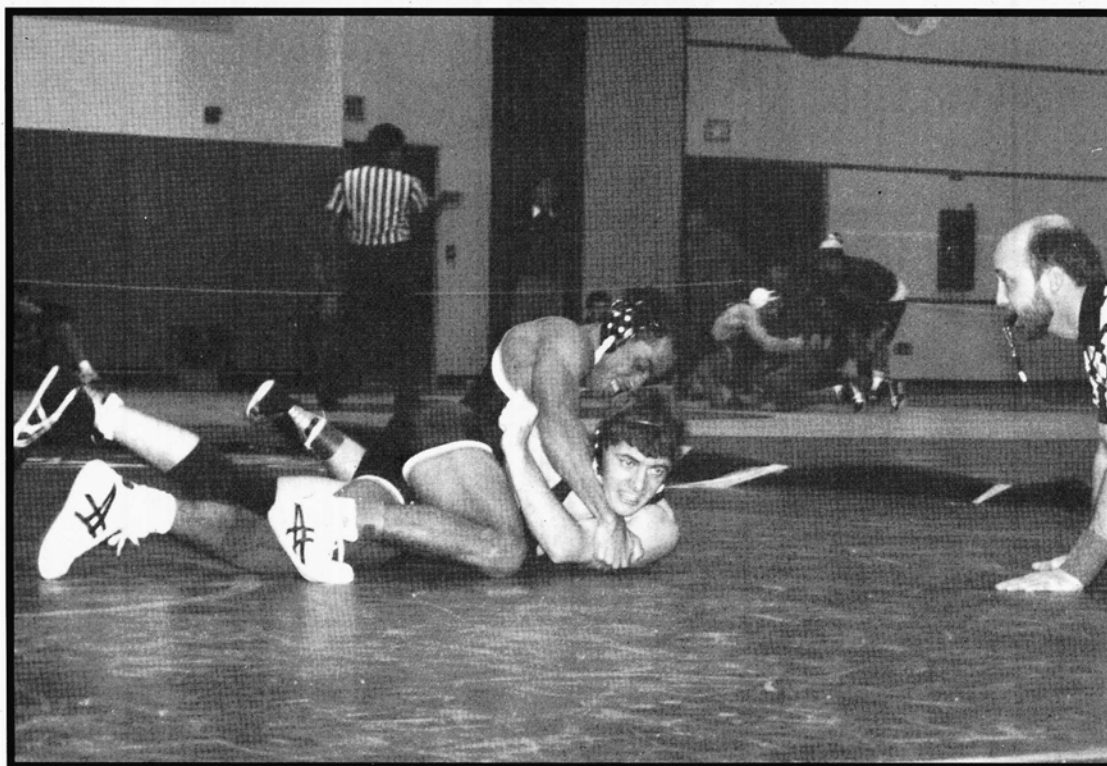

with many outstanding individual performances. Brad Rogers finished in second-place in the 134 pound weight class. In the 190 pound class, Ryan Haley captured a third-place finish.

With a young team that gained experience with every match, there is great hope for next year. In a continuing tradition of excellence, the Ohio Northern matmen are now looking toward the future and winning season number twenty-five.

# Challenging Season

It was a rough season for the swimming Bears. Finishing a close fifth at the Ohio Athletic Conference was a disappointing end to a long season. "I thought we had a good chance at placing at least fourth," said coach John Willamowski.

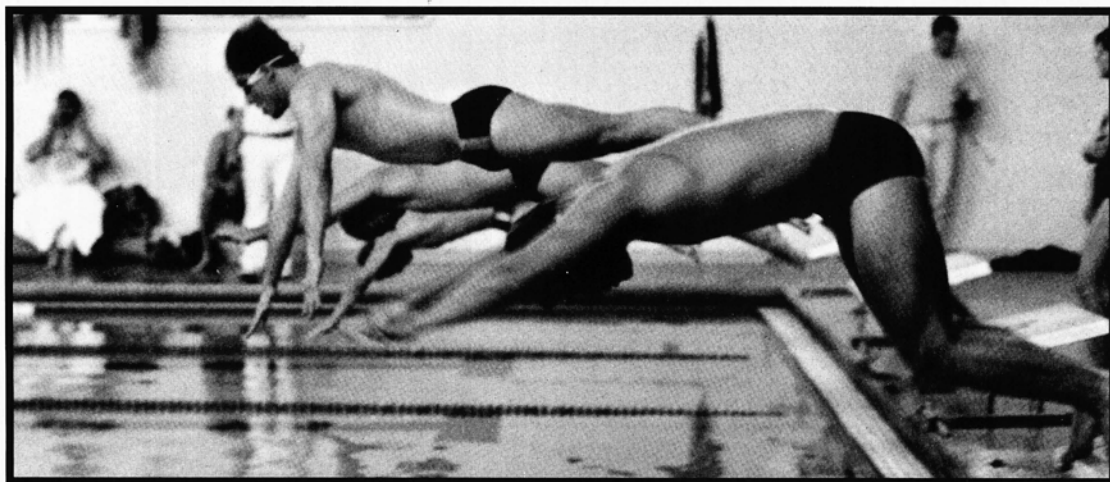

Although the OAC meet was scheduled during finals week, the team came through with many individual efforts. For the men, Rob Muse finished third in the

400-meter individual medley, sixth in 500-meter freestyle, and sixth in the 200-meter breaststroke. Jeff Waldron finished second in the one-meter dive and third in the three-meter dive. Waldron and Muse captured All-OAC honors for their accomplishments.

The women had many strong finishes as well. De-antha Budde captured second place in the one-meter diving competition and third

in the three-meter competition. Budde's finishes earned her All-OAC honors. Amy Townsend captured fourth in the 100-meter breaststroke and Val Wax captured fifth in the 400-meter individual medley.

These individual performances were a highlight of the season. The swimming Bears are proud of their efforts, individually, and as a team.

Hoping for a quick start, the Ohio Northern men swimmers try for a good spring off the board.

# Season of Rebuilding

It was a tough season for all, finishing 3-7 overall and 2-6 in the Ohio Athletic Conference. It was a year with promising new players, more experience for returning team members, and a time to

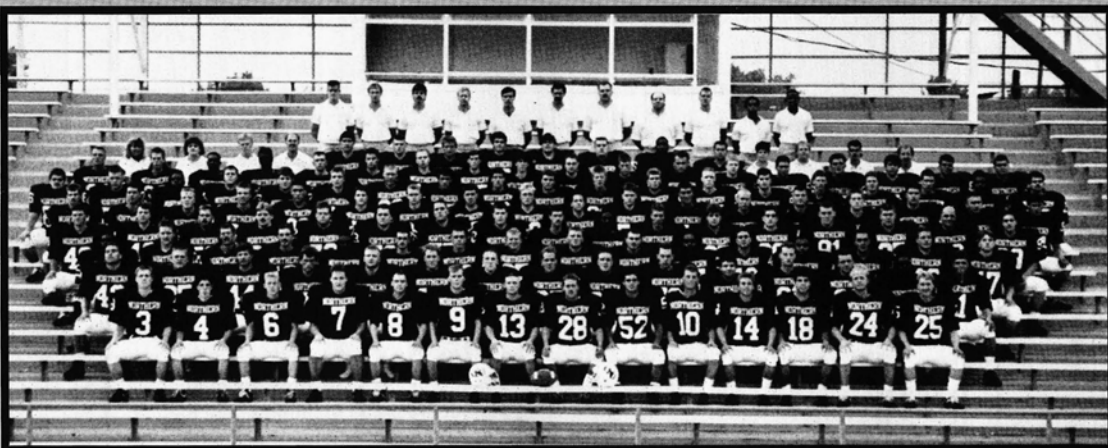

make a basis for a winning season in the years to come.

Individually, the team stacked up some impressive statistics. Returning wide receiver Andy Benson pulled down six touchdowns and

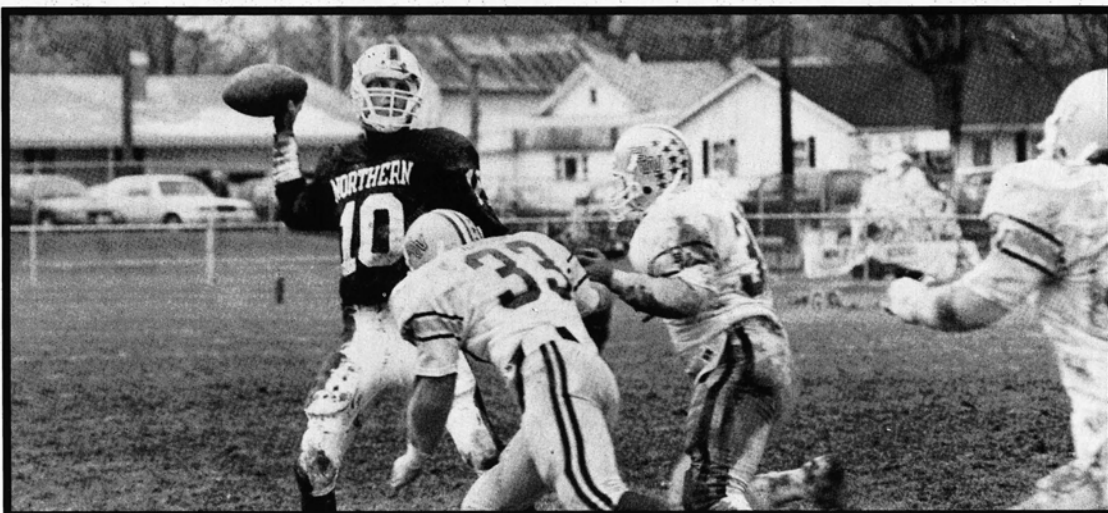

gained the Polar Bears 451 yards over the 1989 season. Junior running back Brian James ran for a season total of 869 yards and three touchdowns.

Despite the losing season,

the team achieved individual improvement and worked to build a promising football power in the future.

# Great Season!

What a season! With six returning letterman and four promising newcomers, the Bears were optimistic from the beginning. With a 12-3 final record in the Ohio Athletic Conference, the season also ended very positively.

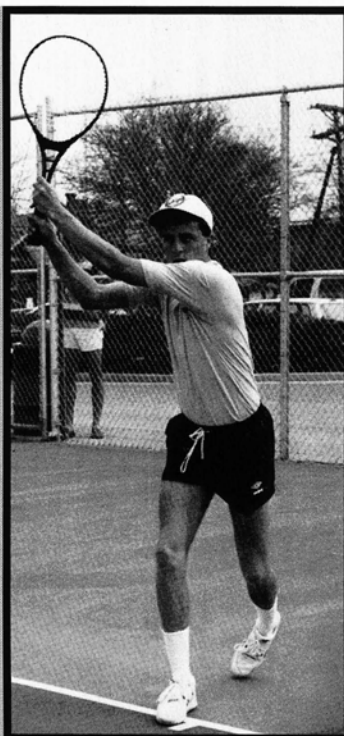

Scott Welsh, sophomore transfer student from Earlham, proved to be a major contributor to the team. Welsh captured the number-one singles title at the OAC tournament and also teamed with sophomore Mike Bonnell to capture the number-one doubles title. Rob Konopka and Kurt Mascio paired up to seize the number-two dou-

bles championship for the Bears.

Whisking through the season with only three losses, the surge from John Carroll at the OAC tournament was a surprise. John Carroll captured the OAC title with 33 final points, just topping the Polar Bears 29½ points. Second-place finishers at the OAC Tournament were Bryan Bartelson, Drew Bragga, and Alan Banks.

Overall, the Bears enjoyed a great season. 1990 was a triumph for the men's squad not only individually, but as a team.

# Long Hard Season

1989 was a year of second bests for the team. With three second-place finishes to start the 1989 season the men participated in a total of seven invitational.

The men continued running long into the cold, snowy days

of November. Despite the chill, the Polar Bears were able to pull out a fifth-place finish in the Ohio Athletic Conference meet. At the OAC meet, Brad Meyer qualified for the NCAA regional meet as a result of his thirteenth-

place finish. He went on to achieve a fifty-second place at the regional meet in Michigan.

The women, for a lack of sufficient numbers to field a full squad, ran individually for ONU.

With returning team members for the 1990 season, coaches and runners from both squads are anticipating winning seasons in the future.

## Ending On A Positive Note

After losing three seniors and their top two scorers from last season, the men's soccer team was unsure of how the 1989 season would progress. Several returning players and some promising freshmen were, however, reason for optimism.

The kickers were a bit frustrated at first, winning only two of their first ten games. They finished in a flourish though, winning three of their final four games and scoring a total of ten goals against

Defiance. The kickers ended their season with an overall record of 5-11.

Senior Bryan Zarlenga led the team in scoring with six goals and a total of thirteen points. Junior John Bruner led in assists with a total of five. Freshman goalkeeper David Knapp finished the season with two shutouts and ninety-eight saves.

# Kickers Improve

The Lady kickers, under the direction of head coach Joe Campoli, ended the 1989 season with a positive feeling. The team completed their second season with a record of 4-10-1 seizing three more victories than in the previous season.

Team captain Michelle Anderson provided senior lead-

ership both on and off the field. Freshman Amy Cormier lead the team in scoring with twelve goals, giving her a second-place finish in the OAC scoring race with a total of twenty-five points. Melissa Franklin, also a freshman, served as goalie. She finished the year with three shutouts and 102 saves.

Franklin summed up the season by saying, "Everyone improved a lot. We had strong senior leadership as well as many skilled freshmen. We'll be doing a lot of scouting this year and we'll make the women's soccer team something ONU can be proud of."

Skillfully evading her opponent, Amy Cormier kicks the ball toward the goal.

# Rugby: A Kick in the Grass

Even though rugby is not an official sport at Ohio Northern, the team still receives a lot of support and enthusiasm from everyone on campus. It is becoming very popular here. However, some students are still unsure of what exactly rugby is. Rugby is a game which combines kicking, running, and

tackling skills of soccer and football.

This year the team participated in many games with other colleges and rugby clubs including Wittenberg, Denison, Bowling Green, Oberlin, and Muskingum. The team was led by coach Scott West and team captain Dean Penman.

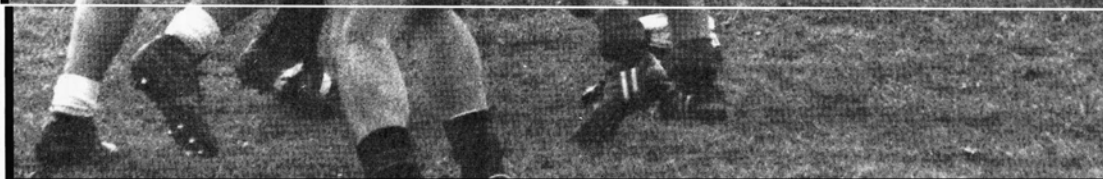

Diving forward, Dean Penman avoids being tackled by his opponents.

The ONU ruggers huddle together to discuss their game plan.

Reaching for the sky, everyone tries to gain possession of the ball

These rugby players scramble to beat the Wittenberg ruggers to the ball.

# A Year of Experience

Four returning letterman and six newcomers led the Ohio Northern golf team through a very challenging season. Returning senior Eric Fender was the Bears top contender, returning with All-Ohio Athletic Conference honors and three varsity letters. Other top contenders were senior Paul Burgoyne and junior Chris Rhyal. "Our top three players are pretty solid," said coach Donn Benice.

The key to the season was finding parmen to round off the line-up. Freshman Shawn Mason stepped into a top spot and maintained top scores consistently throughout the season.

The Bears finished eleventh at the Baron Invitational, a tournament they won last year. The Bears placed eleventh at the Wittenberg invitational and thirteenth at the Denison-Capital invitational.

Things came together

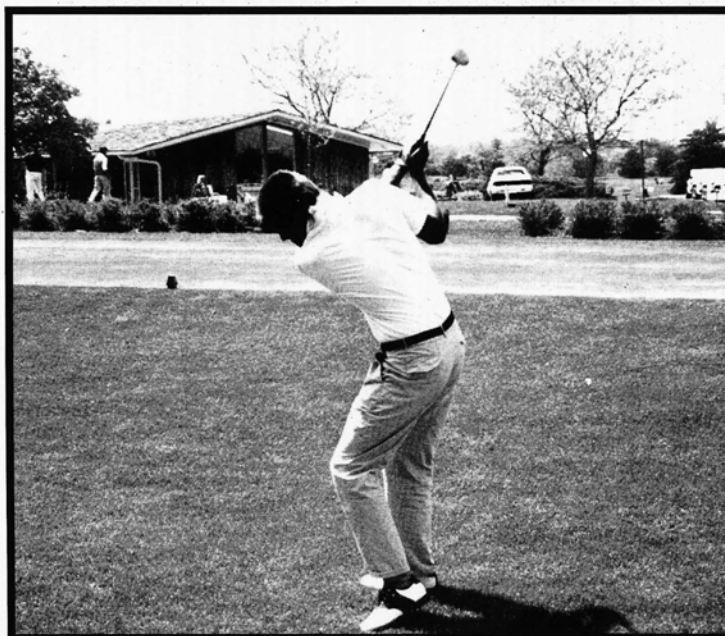

much better at the Ohio Athletic Conference golf championship. The parmen pulled out a fourth-place finish, with John Carroll winning the tournament. Tom Meadows and Shawn Mason captured All-OAC honors with 163 and 164 two-day scores respectively.

There were many good aspects to the season. It was a great year for the seniors and a year of experience for the young team members.

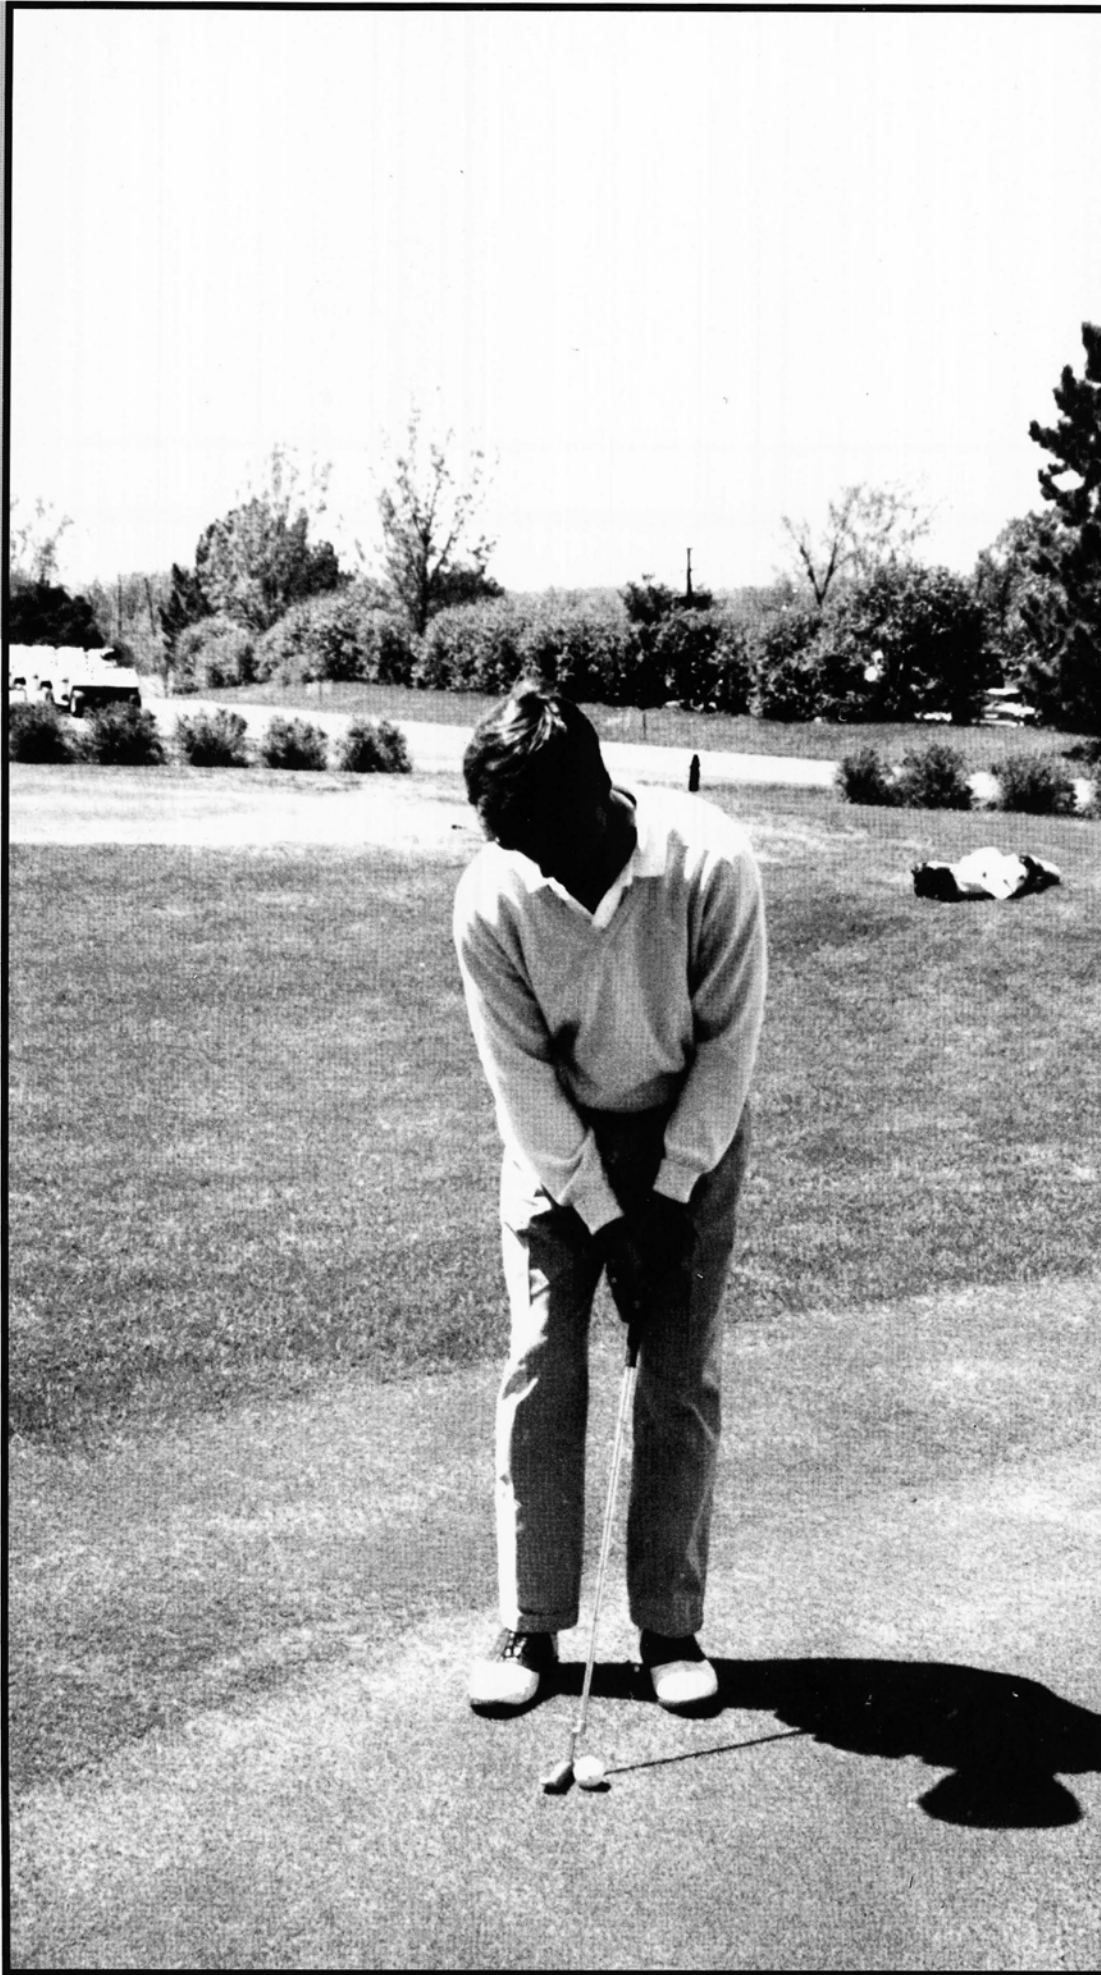

The 1990 Golf Team: Front Row: Craig Carafa, Shawn Mason, Chris Rhyal, Ned Sponsler, Deric Cox. Back Row: Tom Meadows, Paul Burgoyne, Mark Anderson, Eric Fender.

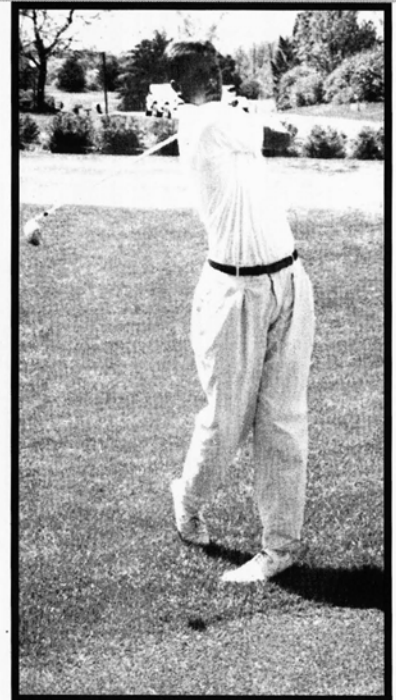

Keeping his eye on the ball, Eric Fender prepares for a long drive.

Concentrating on his putt, Shawn Mason attempts to make the hole.

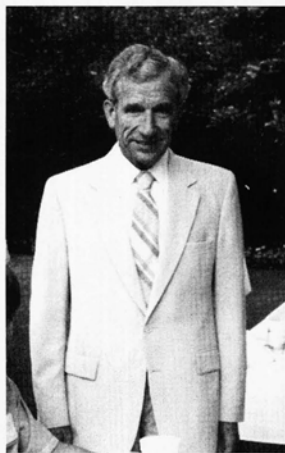

Watching the flight of his shot, Paul Burgoine hopes for placement near the hole.
